

CAMP SCHOOLS AND LANDSDALE FARM SCHOOL

617. Ms M.J. DAVIES to the Premier:

I have a supplementary question. I take it from the Premier's answer that he will not be tabling the contract signed between Fairbridge WA and Family Support WA. What does the Premier have to hide by refusing to table this contract? Will it reveal that, in time, there will be increased prices and changes to services at these camp schools?

Mr M. McGOWAN replied:

I did not refuse. I will get some advice on that, and I will provide some advice in due course in relation to that matter. But, I mean, the member really is just clutching at straws. Look at her! The member comes in here today and she is wildly angry about the fact that we got the commonwealth to pay for Moora Residential College upgrades, and she is wildly angry that we have got the camp schools and Fairbridge farm operating and saving the taxpayers \$3 million. I mean, the people in the National Party are very hard people to keep happy.
