

HON DERRICK TOMLINSON

Personal Explanation - Question without Notice on the Gordon Report Implementation Group

HON DERRICK TOMLINSON (East Metropolitan) [5.05 pm] - by leave: I thank the House. The Leader of the House quite properly, I suppose, castigated me for asking a 10-point question, but the question was to a single agency; namely, the Gordon Report Implementation Group. I commend that group for responding to the 10-point question so well with a two and a half page answer, which can be reduced to a single word - none.
