

TIER 3 RAIL LINES — CLOSURE

**504. MR N.W. MORTON to the Minister for Transport:**

Can the minister please update the house as I am alarmed at the comments made by the Leader of the Opposition claiming that the closure of tier 3 railway lines will lead to increased truck movements in the metropolitan area? Is the Leader of the Opposition correct or is he grossly misinformed and showing his lack of understanding of regional Western Australia?

**The SPEAKER:** Sit down! Member for Forrestfield, I have told you before about preambles to questions. Do not get up. Now we move on to the next question.

*Point of Order*

**Mr N.W. MORTON:** Mr Speaker, with all due respect, I had to sit here and listen to the member for Victoria Park read chapter and verse of a preamble —

**The SPEAKER:** Sit down, please.

**Mrs G.J. GODFREY:** The member for Mandurah is shouting here and he is not in his own chair.

**The SPEAKER:** Okay.
