## HEALTH FUNDING

## 800. Mr M.F. BOARD to the Minister for Health:

As a supplementary question, will the minister admit to Parliament that \$230 million of his so-called record health budget will not be spent on health services?

## Mr R.C. KUCERA replied:

I have answered that question. I do not want to give the member another thrashing. At the end of the day, he must realise that he is a Western Australian.
