I refer to recent reports of staff, parent and student disquiet at Kalbarri District High School.

- (1) How many documented grievances by —
 - (a) teaching staff against other staff; and
 - (b) parents against the schoolwere reported in 2007–08, 2008–09 and to date this year?
- (2) Have any of the parent complaints against the school been referred to either the Mid West District Education Office and/or local police; and, if so, how many?
- (3) How many grievances and complaints remain unresolved?

Hon PETER COLLIER replied:

I thank the honourable member for some notice of the question. I will answer (2) and (3) before (1).

- (2) Yes. Three complaints over the period 2009 to 15 June 2010 were referred to the Mid West District Education Office. One of these was also referred to the police.
- (3) As at 15 June 2010, four complaints being managed at the district office level remain unresolved. Three of the complaints relate to one incident.

The answer to the first part of the question is in tabular form; therefore I seek leave to table the response and have it incorporated into *Hansard*.
