

COLLIE HOSPITAL — BLOOD ANALYSIS

**97. Hon SALLY TALBOT to the parliamentary secretary representing the Minister for Health:**

- (1) Will blood samples continue to be taken at Collie Hospital; and, if not, why not?
- (2) Will blood analysis continue to be performed at Collie Hospital; and, if not, why not?
- (3) If no to (1) or (2), will this cause delays in receiving results from blood analysis; and, if so, what will be the extent of the delay?
- (4) Will the new arrangements mean any blood analysis positions are lost from Collie Hospital; and, if so, how many positions?

**Hon ALYSSA HAYDEN replied:**

I thank the honourable member for some notice of this question.

- (1)–(2) Yes.
