

METRONET — ECONOMIC IMPACT

**542. Hon TJORN SIBMA to the Leader of the House representing the Minister for Transport:**

I refer to the Metronet program of works and the economic impact on the Western Australian economy.

- (1) Has the project engaged any consultants or produced any reports or briefing notes on the economic impact of the Metronet program of works?
- (2) If yes, will the minister table those documents?

**Hon SUE ELLERY replied:**

I thank the honourable member for some notice of the question.

- (1)–(2) Details about the economic benefits of each Metronet project are outlined in their respective publicly available project definition plans, which are attached.
