Hon HELEN MORTON replied:

The information below is from an analysis prepared by the department in March 2012 and is for one pay period in March 2012 and shows full time equivalent staffing levels for that pay for each location. The information required for full time equivalent staffing levels as an average over the year was not extracted and can no longer be extracted from the payroll system, nor can information at the level of detail requested be extracted for previous years.

(a)	32.4	(v)	39.1
(b)	30.6	(w)	7.8
(c)	25.2	(x)	49.6
(d)	1.0	(y)	27.1
