

MINISTERIAL OFFICES — LOCATION, UPGRADES AND EQUIPMENT

6078. Hon Norman Moore to the Parliamentary Secretary representing the Minister for Peel

In respect to the Minister's Ministerial Office, I ask —

- (1) Where is the office located?
- (2) Has the office been upgraded or refurbished since 2001, and if so, what has occurred and at what cost in each case?
- (3) Has the office acquired any additional equipment, and if so, what and at what cost in each case?
- (4) Has the office replaced any equipment, and if so, what and at what cost in each case?
