

DUNSBOROUGH, DENMARK AND WAGIN, MAIN STREET PROGRAMS

636. Hon BARRY HOUSE to the Minister for Local Government and Regional Development:

- (1) Will the minister honour commitments to Dunsborough and two other towns, which I understand are Denmark and Wagin, to fund their main street programs this year?
- (2) If not why not?

Hon Tom Stephens: Whose commitment?

Hon BARRY HOUSE: The Government's commitment.

- (3) Have resources and funding from the main street program been rechannelled to the recently announced townscape enhancement project in Manjimup or for other purposes?

Hon TOM STEPHENS replied:

I do not believe we have made the commitment suggested by the member.

Hon Barry House: Commitments were in the pipeline during the changeover of government. Commitments had been made to those three towns under the main street program.

Hon TOM STEPHENS: I will investigate the facts of this issue and provide a response.
