

DEPARTMENT OF HOUSING — PUBLIC HOUSING CONSTRUCTION

**900. Hon MATT BENSON-LIDHOLM to the parliamentary secretary representing the Minister for Housing and Works:**

I refer to question 854 regarding the statement made by the Minister for Housing and Works on 2 February 2009 about bringing forward 600 homes and the minister's answer that three have been completed and 35 are under construction.

- (1) In which Homeswest regions are the three units that have been completed located, and how many are in each region?
- (2) In which regions are the 35 units under construction located, and how many are in each region?

**Hon HELEN MORTON replied:**

I thank the member for some notice of the question. The Department of Housing advises —

- (1) Under the stimulus package provided by the state government, 15 units have been completed as follows: metropolitan Fremantle, five; southern, five; south west, four; and, Pilbara, two.
- (2) Under the stimulus package provided by the state government, 139 units are under construction. This is in addition to the 15 completed properties detailed in the answer to (1). Those 139 units are located in the following areas: metropolitan north, 42; metropolitan Fremantle, 25; metropolitan south east, 10; southern, 5; south west, 18; wheatbelt, 23; mid-west/Gascoyne, two; and, Pilbara, 14.
