

POLICE — SERIAL CHILD SEX OFFENDER — SUPERVISION ORDER

2191. Hon Tjorn Sibma to the minister representing the Minister for Police:

I refer to reports that a 65 year old serial child sex offender 'MDG' has been released into the community on a supervision order which directs compliance with 49 conditions, and I ask, what will be the full financial cost, on a yearly basis, to the Western Australian taxpayer of the Western Australia Police Force's management and supervision of 'MGD' in the community in a manner which ensures his compliance with all conditions of his release?

Hon Stephen Dawson replied:

The Western Australian Police Force advise the estimated cost of managing a dangerous sex offender (DSO) is approximately \$40,000.00 per annum. It is also advised that the cost to manage an individual DSO will vary.
