

ALBANY SENIOR HIGH SCHOOL

Hon BOB THOMAS to the parliamentary secretary representing the Minister for Education:

- (1) When will the new oval-playing fields be available for use by the students at the Albany Senior High School?
- (2) What change room and showering facilities will be available for the students to use and when will they be constructed?
- (3) Will the Government give consideration to locating transportable change rooms and showers at the oval until the new gymnasium is constructed?
- (4) If not, what measures will the Government take to ensure that change rooms and showers are available from the commencement of the use of the oval?

Hon BARRY HOUSE replied:

- (1) February 2001.
- (2) Existing facilities will be used by the students.
- (3)-(4) No. The existing facilities will be used until the new gymnasium is constructed. New change rooms and showering facilities will be included in that building, which is scheduled for completion in December 2001.
