

FORRESTFIELD–AIRPORT LINK — DRIVER TRAINING

625. Hon TJORN SIBMA to the Leader of the House representing the Minister for Transport:

I refer to the final phases of the Forrestfield–Airport Link project.

- (1) When did driver training commence?
- (2) How many drivers are participating in the training?
- (3) When is the driver training phase scheduled to conclude?
- (4) Will other commissioning activities occur in parallel with driver training, and what are those activities, and when are they scheduled to conclude?

Hon SUE ELLERY replied:

I thank the honourable member for some notice of the question.

- (1)–(4) Driver training has recently commenced, with the Public Transport Authority intending to train all its drivers on the new line. Other final testing and commissioning activities are ongoing in conjunction with driver training.
