

LANDS — CLASS A RESERVES

3244. Hon Tjorn Sibma to the minister representing the Minister for Lands:

I refer to excisions of land from Class “A” Reserves throughout the term of this Government and request the following information be provided in tabular form:

- (a) on how many occasions, and at whose request, has land been excised from Class ‘A’ Reserves; and
- (b) what is the total area of land excised per request, and cumulatively?

Hon Stephen Dawson replied:

As the Honourable Member would be aware, each and every proposal to excise land from Class “A” Reserves is tabled in both houses of Parliament.

Each proposal tabled contains both the name of the applicant and the total land area excised.

For the Honourable Member’s benefit, I would refer him to Legislative Council tabled papers: 272, 446, 1063, 1760, 2537, 3679, 3833, 4091, 4198, 4200, 4244, 4245, 4246, 4351 and 4443.
