

DEPARTMENT OF FIRE AND EMERGENCY SERVICES — ROSTER MANAGEMENT SYSTEM

**937. Hon RICK MAZZA to the minister representing the Minister for Emergency Services:**

I refer to the Department of Fire and Emergency Services recently publishing a tender calling for expressions of interest in developing a new personnel roster management system.

- (1) Does the government have any plans to merge, amalgamate, rename or abolish any current volunteer emergency service?
- (2) Why does the DFES tender for a personnel roster management system state that future changes to legislation will force local government bushfire volunteers to report directly to DFES?

**Hon STEPHEN DAWSON replied:**

I thank the honourable member for some notice of the question.

- (1) No.
- (2) The Department of Fire and Emergency Services has not engaged in a tender process for a personnel roster management system. The department has released, via Tenders WA, a request for information. The RFI does not state this.
