

STANDING COMMITTEE ON PUBLIC ADMINISTRATION AND FINANCE

Planning Appeals Amendment Bill 2001 - Extension of Time

HON BARRY HOUSE (South West) [3.27 pm]: I present a report of the Public Administration and Finance Committee seeking an extension of time to 28 March 2002 in which to report on the Planning Appeals Amendment Bill 2001. I move -

That the report do lie upon the Table and be adopted and agreed to.

Although the committee has sought several extensions, it is well advanced in its deliberation on the report. At least one further meeting is required and it is not possible to fit that in before the conclusion of business in this House tomorrow. The committee seeks an extra few days to complete its deliberations.

Question put and passed.
