Dear Francesca

Please find attached the transcript of the hearing of the Community Development and Justice Standing Committee's Inquiry into the Administration and Management of the Western Australian 2017 State General Election held by [satellite link-up/video conference] on 18 October 2017, including corrections made by the witnesses from the NSW Electoral Commission.

I would like to make the following clarifications:

1. On p 6, the Commissioner's reference to his role as 'chair of the council' is to the Electoral Council of Australia and New Zealand [ECANZ];

would correctly provide as follows:

**Mr KWOK:** I cannot remember. There is a limit in size of 8000 square centimetres or something like that. There is a limitation that applies on the grounds of the polling place. There are no provisions in terms of the size of the poster outside the perimeter of a polling place –

Many thanks  
Lucinda
