Re: 2015/16 Budget Estimates Hearings, WA Health Session One

Thank you for providing a copy of the transcript of evidence that I provided to the Standing Committee on Estimates and Financial Operations on Wednesday 24th June 2015.

On reviewing the transcript I need to correct my comments on page 31 as follows:

Hon Martin Oldridge sought clarification around lost revenue. In my response I informed the committee that we do not maintain specific details around that, but model missed billings.

The current modelling indicates a range of between \$3 million and \$7 million per annum. This statement needs to be clarified in that the range needs to be amended to between \$5 million and \$7 million, and only relates to medical practitioners professional fees not billed in metropolitan public hospitals.

Yours sincerely
