Dear Mr Warner

**Transcript of Evidence – 2015/16 Budget Estimates Hearing**

Thank you for your letter dated 26 June 2015.

Please be advised that on page 23 of the attached transcript, I advised the Committee that the allocation for Laverton was \$19.0 million or \$19.2 million.

I wish to advise the Committee that the correct figure is \$19.5 million.

Yours sincerely
