Subject: RSPCA Inquiry

I wish to make a submission supporting the R.S.P.C.A of which I am a member.

Firstly how can a man voted in with little support by a lax voting system and so involved with shooting and fishing **EVER** chair a fair inquiry into the R.S.P.C.A.

Secondly the current funding is hardly generous given the rise in cruelty to animals so to reduce this would be a sad reflection on all WA citizens.

Please do not be swayed by the powerful shooting supporters and let the R.S.P.C.A. continue to do their vital work as an independent and fair organisation, it would be a sad day if a few people ruin a worthy cause.
