Dear Mr House,

RE: ABOLITION OF FREMANTLE CEMETERY BOARD

I write to register my protest as a ratepayer of the City of Melville at the scrapping of the above Board.

I have difficulty in accepting the argument that absorption with the Metropolitan Board will provide positive benefits as the Fremantle Cemetery has been extremely well managed during recent years despite cheaper charges etc.

There is also the question of separate identity which you will appreciate as the representative of a country electorate.

With kind regards,

Yours sincerely,

C.A.M. WALKLEY
