Effect on Students and Communities**

I wish to submit my comments regarding the removal of Year 11 and Year 12 courses at 21 District High Schools across Western Australia.

In particular, I would like to address this proposal and its effect on Dongara District High School.

I feel that Dongara school has enough students to keep the years 11/12 going. It will be a very sad day if it happens. Also the bus trip for the kids to Geraldton everyday is very hard on them and hard to find time to study. Let's keep Dongara going.

Yours faithfully

Mr Geof Lee
