Subject: Flight Prices from Kununurra etc

Hi,

I would like to express my concerns about the prices of flights from and to Kununurra.

The prices that are charged are ridiculous you can fly overseas probably twice for the cost of one flight out.

As we are grandparents we would like to go to Perth and see our grandchildren more often but with the prices the way they are it is impossible.

As for Air North they are so unreliable and when you do have a flight they decide you can't go on it and change it without consulting us or if any other passengers would stay behind.

Hoping this doesn't go on deaf ears.

Regards
