**Subject:** In Support of the Operations of the RSPCA

Dear Committee Members,

As a former City of Bayswater councillor, and supporter of good governance in the RSPCA, I am concerned that curtailing the activities of the RSPCA will be against the norms of animal protection.

I also feel there is a CONFLICT OF INTEREST in the Chairing of this committee.

I will be brief by saying that **Morality is Our Most Precious Possession, even for animals in our care on this earth.**

Therefore I wish you all wisdom and fairness in any discussions and hope that no reduction of the RSPCA controls occurs.

Truly, can you imagine if controls are reduced. Not good.

Yours truly,

Yours truly

Sally Palmer
