Subject:

Enquiry into RSPCA

As a strong supporter of the RSPCA , I am at a loss to understand why there is a need to have an inquiry into The Organisation , especially

when the Great Caring Work it does for All Creatures Great and Small.!!

With Regards Government Funding which i understand is only Six per Cent of the funds they receive with the other Ninety Seven per cent coming from the public, does this mean the Government believe they are not getting good value for the funds they give to the RSPCA?

(2) I would have thought the objectives of the RSPCA are very clear, and their Website is readily available for All to Access and read.

(3) Has there ever been a just cause why this enquiry into the RSPCA Powers should take place. ?

So I end by saying, I along with many other supporters , and from All Creatures Great and Small, We Say, Thank God For The RSPCA. !

Yours Sincerely ,

Mrs Ivy Goodwin
