Effect on Students and Communities

I wish to submit my comments regarding the removal of Year 11 and Year 12 courses at 21 District High Schools across Western Australia.

In particular, I would like to address this proposal and its effect on Dongara District High School.

My son has a part time job at our local supermarket from 3pm-6pm if he had to travel to and from school he would lose his job, which could minimise his chance of local work. This would also leave our local businesses with only the option of 14 and 15 year olds to employ.

I have no intention of sending my children away for education, if years 11 and 12 are compulsory they should also be locally available. My youngest is in year 8 and it will be sad if she is robbed of the chance of receiving the fullest education.

Yours faithfully

Mrs Sandez Peaker
