Dear Committee

First of all, a big thankyou to the RSPCA WA (Inc) for the anti-hunting advertisement placed in the Sunday Times 3 May 2015. ("They" listened!).

I am shocked that a party which supports shooting animals is raising concerns about the RSPCA WA. I support the RSPCA WA 100 per cent for all their good work in helping animals. Furthermore, the RSPCA WA should get better funding from the government for their good work. RSPCA WA is the only animal welfare group that has any legal clout against animal abusers. They PROTECT animals, they don't kill or hurt animals. RSPCA WA does great work for our community

I strongly feel the Shooters and Fishers Party should be investigated regarding their motives and agenda behind this enquiry into the RSPCA WA (Inc).

Thankyou.

Yours sincerely,  
Jackie Wigh
