ALPHABETICAL LISTING OF MEMBERS OF THE LEGISLATIVE COUNCIL SINCE 1890

In 1890 responsible government was established in Western Australia. Since then 872 men and women have served as members of the Legislative Assembly and/or the Legislative Council. Recently elected members share a lineage with those who have served before them. This list is intended to be a reminder of that lineage, recording the place of all members of Parliament in the parliamentary corporate memory by listing them in the order in which they were elected. Each member has been assigned a number to reflect his or her position at the time of their initial election.
