1. Expressing Deep Concern Regarding Education and Training

Hon Alan Cadby to move:

That this House -

- (1) Expresses deep concern at the apparent inability of the Minister for Education and Training to recognise the critical issues pertaining to education and training.
- (2) Notes the Minister's demonstrable failure to plan and act strategically, particularly in those areas of known systemic weaknesses and failures.
- (3) Regrets that the Minister has adopted a "never admit, never accept, it's someone else's fault" attitude to his critics with the result that his planning and strategic skills have come under serious question.

* For amendments see Supplementary Notice Paper and/or Committee Report
