Subject: Request for information - number of construction site workplace deaths since 27 June 2017

Importance: High

Dear Ms Farina

Inquiry into WorkSafe

Thank you for the email correspondence from Kimberley Ould on 22 October 2018 with the request to provide information about the number of construction workplace workers fatalities which have occurred in Western Australia since 27 June 2017.

The answer to this question is provided below.

Period	Construction work-related fatalities	Construction related fatalities under investigation and yet to be confirmed as work-related
2016-17 (27 June – 30 June)	0	0
2017-18 (1 July – 30 June)	1	0
2018-19 (1 July – 22 October)	1	1 ^{*)}
Total	2	1^{*)}

Table 1: Number of work-related fatalities in the construction industry: between 27 June 2017 and 22 October 2018 – presented by financial year

^{*)} This is potential a death by natural causes, which can only be determined once the post mortem examination has been completed.

Should you have any queries, please contact me on _____ or by email:

sincerely

Regards

Ian Munns
