Answer: 1.4-1.7)

Please refer to Budget Paper 3, Chapter 4 'General Government Revenue' (pp. 81-88) and Appendix 13 (p. 311). Appendix 13 provides a summary list of all National Partnership Agreements (NPAs) and includes funding figures and expiry dates.

As noted in Appendix 13, the NPAs are time limited and it is assumed in the Budget that there is no continued funding (Commonwealth or State) past an NPA's expiry date and that any additional or enhanced services generated by the NP will cease (unless otherwise identified by footnote (c)). .

Commonwealth grants

- 1.8) Please provide the same information requested for national partnership agreements above for any commonwealth grants received by your agency

Answer:

Please refer to Budget Paper 3, Chapter 4 'General Government Revenue' (pp. 87-88) and Appendix 2 'General Government Operating Revenue' (p. 235) for details of all Commonwealth grants to the State. General revenue grants and National Specific Purpose Payments are intended to be ongoing.

10 year Strategic Asset Investment Plans

- 1.9) Please provide a copy of your 10 year Strategic Asset Investment Plan.

Answer: Strategic Asset Plans (SAPs) are prepared for Treasury as part of the Budget process to inform decision making by the Economic and Expenditure Reform Committee and Cabinet. Disclosure of these plans would reveal the deliberations and decisions of both bodies and are therefore considered Cabinet-in-Confidence. Until such time as specific programs within a SAP have been considered and approved to proceed they remain indicative. Additionally and understandably, 10 year SAPs are subject to a wide variety of exigencies including, but not limited to, priorities of the government of the day, changes in circumstances, changes in technologies and external events.

Infrastructure requirements

- 1.10) What are your agency's infrastructure requirements for the next 10 years?
Specifically:
- What infrastructure needs to be replaced, upgraded or built to meet demand?
 - What allocation has been made in the Budget for the planning and delivery of these requirements? Is the allocation in capital works?
 - In what timeframe will the requirements be delivered?

Answer:

Please see Answer to 1.9. Funded infrastructure programs are detailed for each agency in the Asset Investment Program section of their financial statements as reported in Budget Paper No. 2. These programs currently cover the period 2016-17 to 2019-20. Any infrastructure requirements outside this period are subject to further budget deliberations and remain Cabinet-in-Confidence.

1.12 How many vehicles does your agency expect to sell in the 2016-17 financial year?
1.13 What is the estimated total proceeds from the sales in each of the above financial years and how will those funds be allocated?
1.14 Will any of the sales in 2016-17 be part of the Agency Expenditure Review program and, if yes, how many?
1.15 What will be the impact on agency staff (i.e. what alternative arrangements have been made for their transport)? What will be the cost of any alternative transport arrangements compared to the cost of retaining the vehicles?

Answer:

- 1.11 No vehicles are expected to be sold in 2015/16
- 1.12 4 vehicles (replaced under the Western Australia (WA) Police Fleet and Equipment Replacement Program) are expected to be sold in 2016/17

- 1.17) What proportion are engaged in:
 - A contract of service (permanent staff)?
 - A contract for services (contractors)?
- 1.18) Of those that are engaged by a contract for services, please explain why they are not engaged as permanent staff.
- 1.19) What is the cost to the agency of engaging contractors, including preparation, negotiation, payroll modifications, (i.e. where the contracts are renewed for staff on 6 month contracts) and cost of HR staff who manage the contracts?
- 1.20) Are staff employed as contractors paid at a different rate to those who are permanent employees in a similar role and, if so, please provide details and explain why.

- 1.16 As at March 2016 the total number (headcount) of Police Officers was 6 311 and Police Staff was 1 851.
- 1.17 The total number of police staff include 1 701 permanent Police Staff and 150 contract Police Staff. Western Australia Police does not employ police officers on contract.
- 1.18 Permanent employees are not able to be engaged in a variety of circumstances. These include:
 - the substantive occupant is on approved leave;
 - the substantive occupant is temporarily away due to undertaking higher duties, a secondment or similar;
 - the position is subject to a restructure/review in progress;
 - the position has finite funding; and
 - the recent recruitment freeze.
- 1.19 There is no additional cost for the recruitment of contract Police Staff. This process is considered 'normal business' and managed within existing resources.
- 1.20 Contract staff are paid at the same level as permanent employees in the same role. The only exception is in rare cases where they are employed as casual staff (employed for less than 20 working days) and attract a 20% casual loading in lieu of leave.
