Committee calls in the Departments of Treasury, Finance and Premier and Cabinet

The Estimates and Financial Operations Committee will hold public hearings with the Departments of Treasury, Finance and Premier and Cabinet commencing at 12.30pm on Monday, 23 April 2012.

The Committee will be questioning these agencies about the increased funding in last year's State Budget for the non-government community sector and in particular:

- the administration and use of funding by NGO's;
- how the Government is monitoring the implementation of its 2011/12 budget initiative;
- who is monitoring the budget initiative; and
- what reporting mechanisms are in place to demonstrate that this funding has been used appropriately.

The hearing will be open to the public.
