Question listed for this sitting: -

556. Mr R.S. Love to the Minister for Transport:

I refer to the recent closure of the Co-operative Bulk Handling grain receival site at Bolgart and the expected increased heavy vehicle traffic along the RAV 4 freight route that passes through Toodyay town, noting this routes inclusion in AgLime Route 1 as referenced in '*Roads 2040, Regional Strategies for Significant Local Government Roads (Wheatbelt North)*', and I ask:

- (a) Are you aware of the constrained nature of the heavy haulage route in the town of Toodyay which includes Hamersley St, Fiennes St, Clinton St and Anzac Avenue;
- (b) What planning if any has been progressed by Main Roads WA on the development of a heavy haulage bypass for Toodyay;
- (c) If yes to (b), have any costings been developed;
- (d) What funding, if any, has been allocated for the bypass;
- (e) What is the timeframe associated with this project; and
- (f) If your government has decided to not build a Toodyay heavy haulage bypass, what alternatives, if any, have you considered?
