- (b) notes the McGowan and now Cook Labor Government's mismanagement of the health system, which has been plunged into crisis after crisis and has resulted in numerous devastating and preventable incidents; record-ambulance ramping; and all-time low staff morale.

8. Government Budget Surplus (*Notice given 9 November 2023, amended 15 November 2023*)

Hon Dr Steve Thomas: To move —

That this House —

(1) Notes that —

- (a) the *2023-24 Government Mid-year Financial Projections Statement*, also called the *Mid-year Review*, released in December 2023 has again shown that the Cook Labor Government has underestimated State revenue for this financial year, especially iron ore royalties revenue;
- (b) the latest figures are again predicting a multi-billion dollar surplus for Western Australia;
- (c) Western Australian residents and families continue to struggle with higher cost of livings while the Cook Labor Government continues to roll in and flaunt its wealth, which it owes to high international iron ore prices rather than their own financial management.

(2) Calls on the Cook Labor Government to urgently do more for struggling Western Australian residents and families.

- (c) the hallmark secrecy which surrounded this decision and the ensuing inadequate consultation with passengers;
- (d) the Minister's failure to provide any compelling evidence that this shutdown is the best solution to facilitate the METRONET program of works; and
- (e) the absence of any plan to mitigate the potential for the shutdown extending beyond 18 months, and the impacts this will have on many commuters across the metropolitan area.

- (b) endorses the Parliamentary Inspector's conclusion that it is not a responsible exercise of the CCC's powers to report to Parliament speculating that a person has 'possibly' committed an offence in a situation where it does not know whether a person has committed a criminal offence, and where it has not conducted sufficient research to determine the matter;
- (c) notes with concern the CCC's refusal to prepare a supplementary report to address the errors and omissions;
- (d) thanks Parliamentary Inspector Matthew Zilko SC for his continued service as a monitor on the operation of the *Corruption, Crime and Misconduct Act 2003*;
- (e) expresses its appreciation to the members and staff responsible for the drafting, tabling and publishing of Report 61 of the *Standing Committee on Procedure and Privileges*;
- (f) notes that the Committee's audit revealed that 1,120 privileged documents were provided without parliamentary approval by the Government to the CCC;
- (g) reasserts that draft parliamentary speeches, motions and questions are subject to parliamentary privilege in the same way as confidential parliamentary committee material such as committee deliberations and draft report recommendations; and
- (h) reminds the CCC that the legislature has entrusted it with extraordinary powers and that its immunity from defamation actions and other claims for damages highlight why those powers must be exercised with caution and prudence.

- (e) that the State Government support a bipartisan approach which funds and coordinates an appropriate program of works and events to mark the bicentenaries in a manner which involves and respects the contributions of all Western Australians.

12. Elder Abuse (*Notice given 27 February 2024*)

Hon Tjorn Sibma: To move —

That this House —

- (a) commits to the desirability of home ownership as a critical policy objective for any responsible Government;

- (c) acknowledge the many forms and sources of policy challenges and impediments to home ownership facing the community of Western Australia; and
- (d) note with alarm that these challenges and impediments to home ownership are disproportionately impacting younger people.
