**SUBMISSION TO PARLIAMENT
UNDER SECTIONS 42(4), 44(1) OR 45(4)
OF THE LAND ADMINISTRATION ACT 1997**

The proposal detailed in this report is required by the above provisions to be laid before each House of Parliament.

Section 43 of the *Land Administration Act 1997* provides as follows:-

43(1) *If, after a proposal is laid before each House of Parliament under Sections 42(4), 44(1) or 45(4) notice of a resolution disallowing the proposal –*

- (a) *is not given in either House of Parliament within 14 sitting days of that House after the proposal was laid before it, the proposed reduction, excision, cancellation, change, grant or permission may be implemented by order after the last day of the later of those periods of 14 sitting days;*
 - (b) *is given in either or both of the Houses of Parliament within 14 sitting days of that House, or each of those Houses, after the proposal was laid before it, but that resolution is not lost in that House or each of those Houses within 30 sitting days after the proposal was laid before it, the proposed reduction, excision, cancellation, change, grant or permission lapses; or*
 - (c) *is given in either or both of the Houses of Parliament within 14 sitting days of that House, or each of those Houses, after the proposal was laid before it, but that resolution is lost in that House or each of those Houses within 30 sitting days after the proposal was laid before it, the proposed reduction, excision, cancellation, change, grant or permission may be implemented by order after that loss or after the later of those losses, as the case requires.*
- (2) *It does not matter whether or not a number of sitting days referred to in subsection (1) or some of them occur during –*
- (a) *the same session of Parliament; or*
 - (b) *the same Parliament,*

as that in which the relevant proposal is laid before the House of Parliament concerned.

The proposal set out in this report is accordingly tabled in this House on

this.....2nd..... day ofNovember.....2008

HON BRENDON GRYLLS MLA
MINISTER FOR LANDS
(or his representative in the Legislative Council)

CHANGE OF PURPOSE OF CLASS A RESERVE 26646 UNDER SECTION 42(4) OF LAND ADMINISTRATION ACT 1997 (LAA)

It is proposed to change the purpose of Class A Reserve 26646 from "Recreation & Conservation of Fauna" to "Conservation of Flora and Fauna", to comply with the approved Carnac Island Nature Reserve Management Plan (CINRP).

The Department of Environment and Conservation has requested the change in purpose of Class A Reserve 26646 to "Conservation of Flora and Fauna" to comply with Strategy 1 of the 'Recreational Use' section of the CINRP.

Deposited Plan 53819 has been prepared to formally identify the land in Class A Reserve 26646. This will lead to the redescription of Class A Reserve 26646 to comprise Lot 300. A copy of Deposited Plan 53819 is attached (Annexure 1). The area of the Class A Reserve has been recalculated and is proposed to be increased from 18.8178 to 22.24 hectares.

In accordance with section 42(5) of the *Land Administration Act 1997* (LAA), the proposal was advertised in *The West Australian* on 29 August 2007. At the conclusion of the period for comments/objections, which is not less than thirty (30) days, no comments or objections were received. A copy of the advertisement is attached (Annexure 2).

As Reserve 26646 has Class 'A' status, it is necessary to obtain the approval of both Houses of Parliament to the change of purpose of the Reserve.
