1. GRANT

1.1 Grant of Lease

Pursuant to Sections 97, 37 and 36 of the amended *Conservation and Land Management Act 1984*, the Landlord leases the Leased Area to the Tenant for the Term subject to the terms and conditions of this Lease.

1.2 Quiet Enjoyment

For as long as the Tenant complies with the Tenant's obligations under this Lease, the Tenant may occupy and use the Leased Area during the Term without disturbance or interference by the Landlord except as permitted by this Lease or by law.

1.3 Termination by the Landlord by 12 months notice

Despite any other provision of this Lease, the Landlord may at any time terminate this Lease by giving 12 months written notice of termination to the Tenant.

2. OPTION TO EXTEND

2.1 First Option Period

If a period is specified in item 5.1 of the Schedule, the Landlord has the option to extend this Lease for the First Option Period, but only if:

- (1) the Landlord notifies the Tenant in writing that the Landlord is willing to extend this Lease for that period at least 3 months before the Expiry Date (but not earlier than 6 months before that date); and
- (2) the Tenant is not in default under this Lease as extended when the option is offered.

2.2 Rent during Option Term

The rent payable by the Tenant from the beginning of any extended term of this Lease is to be the same rent payable immediately before the date of commencement of the extended term unless that date is a rent review date, in which case the rent is to be reviewed with effect from that date, and the rent is subject to further review during the extended term as provided in this Lease.

2.3 Default after exercise of Option

If the Tenant defaults under this Lease after accepting an option to extend the term of this Lease, the Landlord is not prevented from exercising any rights, including the right to terminate this Lease. If this Lease is terminated, the Landlord is not under any obligation to grant a lease of the Leased Area to the Tenant for any extended term.

3. RENT

3.1 Amount of the Rent

The annual rent payable under this Lease from the Commencement Date is the amount specified in item 6 of the Schedule.

3.2 *Manner of Payment*

The Tenant must pay the rent by equal annual instalments in advance. The first instalment is to be paid on the Commencement Date and subsequent instalments are to be paid on each anniversary of the Commencement Date. Rent payable for part of a year is to be proportionately adjusted on a daily basis.

4. RENT REVIEW

4.1 *Membership Report*

On the 30th June of each year, the Lessee is required to submit a true and certified statement to the Landlord showing the number of registered and paid up members of the Club for the current financial year. The statement is to be certified by the President and at least one executive member of the Club's governing committee.

Rental for the following year will be calculated based on membership numbers for the financial year nominated in the report. If the membership numbers do not change from the previous rent review date, then the rental will be reviewed by CPI, pursuant to Clause 4.3. The rental based on membership numbers is reviewed each year by the Landlord.

4.2 *Rent Review (Crown Land Rental)*

With effect from (and including) each date specified in this clause as a Crown Land Rental Review Date, the Landlord can require that the rent be reviewed on the following basis.

If the Tenant has not agreed in writing to the amount of the reviewed rent proposed by the Landlord within one month of receiving such advice, the amount of the reviewed rent is to be the higher of:

- (1) the rent applying immediately before the relevant Crown Land Rental Review Date;
- (2) the Crown Land Rental Review for the Premises determined by a valuer licensed under the Land Valuer's Licensing Act:
 - (a) agreed to by each of the parties; or
 - (b) appointed by the President for the time being of the Australian Property Institute (WA Division) at the request of either party.

The Landlord must pay the fees charged by an valuer appointed under this Agreement to determine the Crown Land Rental for the Leased Area and must take into account that the Tenant is a not for profit organization.

Crown Land Rent means the rent that a tenant would be prepared to pay and an owner of the Leased Area would be prepared to accept taking into account:

- (1) the approved use and facility conferred under the Lease;
- (2) the nature of the Tenant. In this regard the Tenant is required to keep proper and audited books of account and these books of accounts for the current and past three years will be made available to the Landlord upon request for the purpose of assisting in the determination of the rent. Average management of the organization will be assumed;
- (3) the provisions of this Lease;

- (4) the period which will elapse between the current Crown Land Rental Review Date and the next Crown Land Rental Review Date or, if there is not one, the termination of this Lease;
- (5) the full length of the Term and the benefit of any option to renew;
- (6) any improvement to the Leased Area;

but disregarding:

- (7) the consequences of any default by the Tenant of this Lease which may have adversely affected the condition, rental value or Crown Land rental of the Lease Area;
- (8) any part of the term that has expired;
- (9) the value of the Tenant's Property and any goodwill created by the Tenant's business or activities to the Lease Area. No delay by the Landlord in enforcing any review of the rent prevents the Landlord from requiring at any time that the rent must be reviewed with effect from the date for Crown Land Rental Review specified.

4.3 **Interpretation**

In this Lease:

CPI

With effect from (and including) each date specified in this clause 4 as a "rent review date", the rent must be reviewed on the basis that the reviewed rent is to be the higher of:

- (1) the rent apply immediately before the relevant CPI Review Date; and
- (2) the amount calculated by using the following formula:

$$A = \frac{B}{C} \times D$$

Where:

- A = the amount of the reviewed rent which is payable from (and including) the relevant CPI Review Date.
- B = the last quarterly CPI Index Number published before the relevant CPI Review Date.
- C = the last quarterly CPI Index Number published before the previous rent review date (or in the case of the first review, before the Commencement Date).
- D = the amount of the rent applying immediately before the relevant CPI Review Date.

Crown Land Rental Review Date means every fifth anniversary of the Commencement Date.

Rent Review Date includes each anniversary of the Commencement Date and Crown Land Rental Review Date.

4.4 **Delay**

No delay by the Landlord in enforcing any review of the rent prevents the Landlord from requiring at any time that the rent must be reviewed with effect from the dates for review of the rent specified in this clause 4.

5.3 *Other property included*

If Rates and Taxes are not assessed separately on the Leased Area but also on other property which includes the Leased Area, the amount which the Landlord can require the Tenant to pay is the same proportion of those Rates and Taxes as the area of the Leased Area bears to the area of the property the subject of the assessment.

The Tenant may assign this Lease or sublet the Leased Area if the Landlord consents and if the Tenant:

- (1) complies with the next clause; and
- (2) supplies to the Landlord evidence acceptable to the Landlord that the proposed assignee or subtenant is able and qualified to use the Leased Area for the Permitted Use, is financially sound and has a good reputation; and

13.3 *Obligations on assignment or sublease*

If the Tenant assigns this Lease or sublets the Leased Area, the Tenant must:

- (1) deliver to the Landlord, before the date that the proposed assignment or sublease is to take effect, a completed agreement in the form of a deed prepared or approved by the Landlord's solicitors, by which the proposed

assignee or subtenant agrees with the Landlord to be bound by this Lease as from the date the assignment or sublease takes effect; and

- (2) pay to the Landlord on request the Landlord's expenses, including legal costs:
 - (a) incurred in making reasonable enquiries about the proposed assignee or subtenant; and
 - (b) in connection with the preparation, completion and stamping of the assignment or sublease documents and any other related documents, (including the stamp duty on those documents).

13.4 *Tenant Remains Liable*

The Tenant remains fully liable under this Lease even if the Tenant assigns this Lease or sublets the Leased Area or gives any right in relation to this Lease or the Leased Area to any other person.

13.5 *Change in Control*

If the Tenant is a company, and there is a change in control of the Tenant the Landlord may require the Tenant to obtain from the persons who have acquired control, as reasonably nominated by the Landlord, a guarantee of the Tenant's obligations under this Lease in a form prepared or approved by the Landlord's solicitors. If the Tenant is a subsidiary company a change in control includes a change in control of its holding company.

In this clause:

- (1) **company** does not include a company which is listed on the Australian Stock Exchange or is wholly owned by such a company; and
- (2) **control** means control of the composition of the board of directors or control of more than 20% of the shares with the right to vote at general meetings; and
- (3) words defined in the Corporations Law have the meanings given to them by that Law.

13.6 *Exclusion of Statutory Provisions*

The provisions of sections 80 and 82 of the *Property Law Act 1969* do not apply to this Lease.

13.7 *Fees*

The Tenant must reimburse the Landlord on request for all fees paid by the Landlord to any agent or consultant engaged by the Landlord in connection with a proposed assignment or sub-letting by the Tenant.

14. **HOLDING OVER**

If the Landlord consents to the Tenant continuing to occupy the Leased Area after the Expiry Date or after the end of any extended term, the Tenant is a monthly tenant of the Leased Area and:

- (1) the monthly tenancy may be terminated by either party giving to the other at least one month's notice which may expire on any day; and
- (2) the rent is the same rent payable immediately before the Expiry Date or after the end of any extended term; and

- (3) all the other provisions of this Lease apply to the monthly tenancy except any option to extend this Lease.

15. DEFAULT

15.1 *Re-entry*

The Landlord may terminate this Lease by notice to the Tenant or by re-entering the Leased Area if:

- (1) the Tenant repudiates this Lease; or
- (2) the Tenant abandons the Leased Area; or
- (3) the Tenant ceases to use the Leased Area for the Permitted Use other than for a temporary period; or
- (4) the rent or any other money payable by the Tenant is unpaid for longer than 3 months after it is due to be paid; or
- (5) the Tenant is in default under this Lease and, if the default can be remedied, the Tenant has not remedied the default within 3 months after receiving a notice from the Landlord specifying the default and requiring it to be remedied; or
- (6) an Insolvency Event occurs; or

Except for the notice given under subclause (5) and except for any notice otherwise required by law the Landlord does not need to give notice to the Tenant before re-entering the Leased Area.

15.2 *Essential Terms and Damages*

Every obligation of the Tenant under this Lease:

- (1) to pay money; or
- (2) not to do something without the Landlord's consent; or
- (3) relating to damage to the Leased Area or to the state of repair or condition of the Leased Area,

is an essential term of this Lease. (This clause does not prevent other obligations being essential terms).

If the Tenant defaults by not performing or complying with any obligation which is an essential term, the Landlord is entitled to recover damages for losses over the whole Term, including losses caused by the non-payment of money by the Tenant over that period, even if this Lease is terminated by the Landlord as a result of the Tenant's default before the Expiry Date.

This clause is not to be taken as relieving the Landlord of any duty to mitigate losses which is imposed by law.

15.3 *Right to Damages not Affected*

The Landlord's right to recover damages is not affected if:

- (1) the Landlord accepts the Tenant's repudiation of this Lease; or
- (2) the Landlord terminates this Lease by notice or re-entry; or
- (3) the Tenant has abandoned the Leased Area; or

- (4) there is a surrender of this Lease by law.

15.4 *Interest on Overdue Money*

The Tenant must pay interest on any money which is not paid by the due date. Interest is to be the higher of:

- (1) 10%; or
- (2) the current reference rate or other base rate charged by the Commonwealth Bank on overdraft loans of less than \$100,000 plus 2%,

and is to be calculated on a daily basis from the due date until the money is paid. The interest is to be paid when requested by the Landlord.

15.5 *Acceptance of Rent or Mitigation*

The acceptance of rent or other money owing under this Lease or an attempt by the Landlord to mitigate losses is not to be taken as a waiver of a default by the Tenant under this Lease or a surrender by law.

16. **TENANT'S OBLIGATIONS ON TERMINATION**

16.1 *Tenant to Move Out*

The Tenant must move out of the Leased Area and remove all the Tenant's Property from the Leased Area by the end of the Term except that if this Lease is terminated before that date, the Tenant must move out and remove the Tenant's Property as soon as reasonably possible after this Lease is terminated.

16.2 *Abandonment of Tenant's Property*

If the Tenant does not remove all the Tenant's Property when the Tenant has to move out of the Leased Area the Tenant is deemed to have abandoned the Tenant's Property remaining in the Leased Area and the Tenant's Property will become the property of the Landlord.

16.3 *Risk*

The Tenant's Property is at the Tenant's risk at all times before and after the termination of this Lease.

16.4 *Damage Caused by Moving Out*

The Tenant must repair any damage to the Leased Area caused by moving out of the Leased Area or removing the Tenant's Property.

16.5 *Reinstatement*

- (1) If the Tenant has made any improvements or alterations to the Leased Area or carried out any work on the Leased Area or done anything else to change the Leased Area if the Landlord requires, the Tenant must reinstate the Leased Area before the end of the Term so that the Leased Area is returned to the condition it was in before the improvements or alterations were made, or the work carried out or the other changes were made. The Tenant's obligations under this clause include removing any building or other structure erected in the Leased Area by the Tenant unless the Landlord agrees otherwise or unless this Lease provides otherwise.
- (2) The Tenant must pay or reimburse the Landlord on request for all the Landlord's costs and expenses (including legal costs and expenses) should the Tenant fail to comply with the requirements of clause 16.5(1) of this lease.

- (1) arranging for any survey or demarcation drawing necessary to identify the Leased Area; and
- (2) negotiating, preparing, signing and stamping of this Lease and any document assigning, varying or surrendering this Lease; and
- (3) enforcing any right under this Lease including giving a notice of default under section 81 of the *Property Law Act 1969*; and
- (4) any default by the Tenant which causes loss to the Landlord; and
- (5) giving any consent or approval under this Lease.

17.2 *Duties and Fees*

The Tenant must pay or reimburse the Landlord on request for all stamp duty and fees (including fines and penalties attributable to the Tenant) payable in connection with this Lease.

18. MISCELLANEOUS

18.1 *Remedies Cumulative*

The rights, powers and remedies in this Lease are in addition to the rights, powers and remedies provided by law independently of this Lease.

18.2 *Accrued Rights*

The termination of this Lease for any reason does not affect the rights of the Landlord in relation to a default by the Tenant before termination.

18.3 *Severance*

If any part of this Lease or the application of that part to any person or circumstance is or becomes unenforceable, the other provisions of this Lease are not affected but continue to be enforceable.

18.4 *Payments*

The Tenant must make all payments under this Lease without set-off, counterclaim or deduction. Payments by the Tenant under this Lease are to be made to the Landlord or any other person nominated by the Landlord. The Landlord need not make a demand for payment of any amount required to be paid by the Tenant under this Lease unless required by law. If this Lease does not specify when a payment is due, it is due within 14 days after the Landlord requests payment.

18.5 *Transfer of Land Act 1893*

The covenants and powers implied in every lease made under the *Transfer of Land Act 1893* are implied in this Lease, whether registered under that Act or not, except:

- (1) to the extent that they are modified by this Lease; and

- (2) the implied covenant set out in section 92(ii), which is excluded.

18.6 *Cost of Complying with Obligations*

Unless otherwise stated in this Lease, the Tenant must pay the cost of performing or complying with every obligation of the Tenant under this Lease.

18.7 *Landlord Can Comply*

If the Tenant does not perform or comply with an obligation under this Lease the Landlord may do what is necessary for the obligation to be performed or complied with. The Tenant must reimburse the Landlord for any reasonable costs or expenses incurred in ensuring the Tenant's obligations are performed or complied with.

19. **POWER OF ATTORNEY**

The Tenant for valuable consideration irrevocably appoints the Landlord and every senior officer of the Landlord (jointly and severally) the Tenant's attorney for the purpose of:
