Hi Gail,

The SDA Clause re Chinese involvement is below:

3.3 Chinese involvement

The Infrastructure Provider agrees with the State to use reasonable endeavours to secure the involvement of private or state-owned Chinese companies in the Project in the following areas:

- (1) the provision of rail cars;
 - (2) the provision of fabricated structural steel;
 - (3) the provision of engineering and construction services; and
 - (4) the provision of debt financing,
- to meet the requirements of the Project.
