### QUESTION WITHOUT NOTICE (Of which some notice has been given)

Tuesday, 22 February 2011

Hon Matt Benson-Lidholm to the Minister for Energy representing the Minister for Education.

1. Can the Minister confirm that investigators from the Standards and Integrity Directorate of the Department of Education have visited Kalbarri this year concerning a range of issues including allegations of inappropriate behaviour by some Kalbarri District High School staff at an end of 2010 staff function?
2. Have investigators made any findings as a result of their enquiries and if so what are the findings?
3. If investigators are yet to complete their enquiries, when does the Minister expect the results to be finalised and will the findings be made public, if not why not?

---

**I thank the Hon. Member for some notice of this question.**

1. Yes
2. No
3. The matter is being progressed by the Department as a priority but I cannot provide an estimated completion date. I am advised by the Department of Education that the Public Sector Commissioner's guide to the disciplinary provisions contained in Part 5 of the *Public Sector Management Act* outlines that disciplinary matters are confidential by nature.
