

(1)

Like other health consumers, mental health consumers can be admitted to any available clinically appropriate bed in public hospitals. The table below details the number of specialised mental health beds by public and publicly funded hospitals as at 30 June.

Specialised mental health beds by hospital as at 30 June

	Hospital	2008	2009	2010	2011
North Metro	Princess Margaret	8	8	8	8
	Graylands & Selby (includes forensic beds)	254	254	254	254
	Joondalup (publicly funded beds)	31	42	42	42
	Marian Centre (publicly funded beds)	10	0	0	0
	Mercy (publicly funded beds)	12	12	12	12
	Osborne Park	24	24	24	24
	King Edward Memorial	8	8	8	8
	Swan	41	41	41	41
South Metro	Sir Charles Gairdner	36	36	36	36

(3) The table below details the number and location of new specialised mental health beds planned for operation from 2011/12 until 2015/16. The new beds will replace existing ageing infrastructure and relocate services close to where people live.

	Hospital	2011/12	2012/13	2013/14	2014/15	2015/16
North Metro	Osborne Park			50		
	Midland					15
	New Children's Hospital					12
South Metro	Fiona Stanley				30	
	Rockingham	10				
WA Country	Broome	14				
	Albany		7
