

## Legislative Council question on notice 4781

Adults:

(1)

Category of assault	2007-2008	2008-2009	2009-2010	2010-2011
Serious Assault	25	31	4	16
Assault	243	296	473	263
Other	199	214	54	97
<b>Total</b>	467	541	531	376

### **Serious Assault**

Includes all acts of sexual assault and is an act of physical violence, which results in actual bodily harm which:

- requires medical treatment and assessment by a medical officer resulting in overnight hospitalisation in a medical facility (eg, prison clinic/infirmarv/hospital or a public hospital),
- requires extended periods of ongoing medical treatment

### **Assault**

An act of physical violence or a physical injury detected which may or may not require short term medical intervention of a non hospitalised nature.

### **Other Assault**

An act of physical violence that does not result in bodily harm or require any form of medical intervention.
