Suggestions/Comments

- To & from need transport to prison, very poor service.
- I'm a Grandmother of 12 Grand children as well; this would be very helpful to my family.
- Taxis are expensive. No buses stop here.
- Maybe the prison may look at getting another small coaster bus, which can travel at certain times on the weekend. As it has been costing me \$20 for a taxi from Midland train station.
- Would the seats be cleaned regularly, from drug odours, so drug detection dog won't cause a non-contact visit?
- It would be very helpful if this service was available.
- If a bus isn't provided will funding be given for transport?
- Can we get taxi vouchers?
- Can we get taxi vouchers?
- Transport is a big problem and it is expensive. Please put on a bus as there are no Transperth buses that stop here. Thank you.
- It would be great to have a bus that comes out here every week, even once a week would be great. Thank you

- Support from prison, taxi voucher, a mini bus from train to prison, its unfair where other prisons have public transport, equal opportunities.
- The Jail is just too hard to get to without a car and a taxi is \$20 each way and the girls need to see there family and kids.
