**HON BRENDON GRYLLS MLA  
MINISTER FOR LANDS  
(or his representative in the Legislative Council)**

**AMENDMENT TO CLASS A RESERVE 22429 UNDER SECTION 42(4)(b)  
OF LAND ADMINISTRATION ACT 1997 (LAA)**

It is proposed to excise an area from Class 'A' Reserve 22429 for the purpose of creating a road to facilitate the Mundijong Road extension. Reserve 22429 is set aside for the purpose of "Recreation and Parklands" and has not been managed since its creation in 1944.

The City proposes to extend Mundijong Road between Baldivis Road and Mandurah Road to complete a road link between the Kwinana Freeway and Rockingham City centre.

The new link will provide commuter access to the City centre and Stirling Naval Base via Dixon Road, a strategic freight route both from the east and south to the east Rockingham and Kwinana industrial areas, east from the South West Highway via Mundijong Road and south via the New Perth to Bunbury Highway and the Kwinana Freeway.

More than \$6 million in Federal funding has been secured by the City to help build the five kilometre extension of Mundijong Road with the State Government providing additional funding to enable project completion.

Part of the Mundijong Road extension requires the excision and dedication of portion of Reserve 22429 as shown at Annexure 1 and further identified as Lots 911 and 912. The extension will involve the excision of 2.7995 hectares from the reserve which currently comprises 50.2671 hectares.

The City has advertised the proposed excision within *The West Australian* and sign posted the area, no comments for objections were received from the public. The proposal was also published in *The West Australian* newspaper in accordance with section 42(5) of the LAA on 19 October 2011. A copy of the advertisement is shown at Annexure 2. At the conclusion of the period for comments/objections, no submissions were received.

The Rockingham Kwinana Development Office has advised the Member for Rockingham and each Member from the South Metropolitan Region have been briefed all of whom have been supportive of the proposed.

As Reserve 22429 has Class 'A' status, it is necessary to obtain the approval of both Houses of Parliament to excise a portion for road.
