The first instalment is to be paid on the Commencement Date and subsequent instalments are to be paid on each anniversary of the Commencement Date. Rent payable for part of a year is to be proportionately adjusted on a daily basis.

4. RENT REVIEW

4.1 Membership Report

On the 30th of June of each year, the Lessee is required to submit a true and certified statement to the Lessor showing the number of registered and paid up members of the clubs utilising the Leased Area for the current financial year. The statement is to be certified by the President and at least one executive member of each club's governing committee.

Rental for the following rental period will be calculated based on membership numbers for the financial year nominated in the report. If the membership numbers do not change from the previous rent review date, then the rental will be reviewed by CPI, pursuant to Clause 4.3. The rental based on membership numbers is reviewed each year by the Lessor.

4.2 Rent Review (Crown Land Rental)

With effect from (and including) each date specified in this clause as a Crown Land Rental Review Date, the Lessor can require that the rent be reviewed on the following basis.

If the Lessee has not agreed in writing to the amount of the reviewed rent proposed by the Lessor within one month of receiving such advice, the amount of the reviewed rent is to be the higher of:

- (1) the rent applying immediately before the relevant Crown Land Rental Review Date;
- (2) the Crown Land Rental Review for the Premises determined by a valuer licensed under the Land Valuers' Licensing Act:
 - (a) agreed to by each of the parties; or
 - (b) appointed by the President for the time being of the Australian Property Institute (WA Division) at the request of either party.

The Lessor must pay the fees charged by any valuer appointed under this Agreement to determine the Crown Land Rental for the Leased Area and must take into account that the Lessee is a not for profit organisation.

Crown Land Rent means the rent that a Lessee would be prepared to pay and an owner of the Leased Area would be prepared to accept taking into account:

- (1) the approved use and utility conferred under the Lease;
 - (2) the nature of the Lessee. In this regard the Lessee is required to keep proper and audited books of account and these books of accounts for the current and past three years will be made available to the Lessor upon request for the purpose of assisting in the determination of the rent. Average management of the organisation will be assumed;
 - (3) the provisions of this Lease;
 - (4) the period which will elapse between the current Crown Land Rental Review Date and the next Crown Land Rental Review Date or, if there is not one, the termination of this Lease;
 - (5) the full length of the Term and the benefit of any option to renew;
 - (6) any improvement to the Leased Area;
- but disregarding:
- (7) the consequences of any default by the Lessee of this Lease which may have adversely affected the condition, rental value or Crown Land rental of the Leased Area;

- (8) any part of the term that has expired;
- (9) the value of the Lessee's Property and any goodwill created by the Lessee's business or activities to the Leased Area.

No delay by the Lessor in enforcing any review of the rent prevents the Lessor from requiring at any time that the rent must be reviewed with effect from the date for Crown Land Rental Review specified.

4.3 **Interpretation**

In this Lease:

CPI

With effect from (and including) each date specified in this clause 4 as a "**rent review date**", the rent must be reviewed on the basis that the reviewed rent is to be the higher of:

- (1) the rent applying immediately before the relevant CPI Review Date; or
- (2) the amount calculated by using the following formula:

$$A = \frac{B}{C} \times D$$

Where:

- A = the amount of the reviewed rent which is payable from (and including) the relevant CPI Review Date.
- B = the last quarterly CPI Index Number published before the relevant CPI Review Date.
- C = the last quarterly CPI Index Number published before the previous rent review date (or in the case of the first review, before the Commencement Date).
- D = the amount of the rent applying immediately before the relevant CPI Review Date.

Crown Land Rental Review Date means every fifth anniversary of the Commencement Date or the Commencement Date of a Renewed Term.

rent review date includes each anniversary of the Commencement Date and Crown Land Rental Review Date.

4.4 **Delay**

No delay by the Lessor in enforcing any review of the rent prevents the Lessor from requiring at any time that the rent must be reviewed with effect from the dates for review of the rent specified in this clause 4.
