Notes:

- Actual student contact hours are not recorded. The data provided is based on nominal student curriculum hours (SCH).
- The VET enrolment data collection is not designed to support semester based reporting as each collection point represents a stand alone year-to-date snapshot of activity. The Department of Training and Workforce Development only reports validated enrolment activity at periodic intervals that reflect enrolments recorded from the start of the calendar year.
- Figures reflect validated VET enrolment data as at July 31 2013. These data provide the closest estimate of enrolment activity for the period January 1 to June 30 2013.
- Figures for registered training organisations that are not State Training Providers have been aggregated into a single group.
- Publicly funded refers to all training funded by or through the Department of Training and Workforce Development.
