| Pemberton | 85 | 94 | 86 | 46 |
| Warren Manjimup | 255 | 265 | 269 | 161 |

(a-e) Notes:

Data was generated on 4 November 2014. Please note that all data are preliminary and year to date data for 2014 is up to 31 July 2014.

To differentiate between (a) and (c), part (a) has been prepared on the basis of intended same day admissions, and part (c) on the basis of actual same day admissions.

Data is provided based on discharges (separations) from respective hospitals.

Data is provided for public hospitals in the South West only.
