

[Tabled Paper No]

(1) – (3)

School	Question (1)	Question (2)	Question (3)
(a) North Albany Senior High School	32 teachers are teaching only one subject area in the following: <ul style="list-style-type: none"> • Mathematics • English • Science • Health & Physical Education • Society & Environment • Design & Technology • Business • Music • Art • Japanese • Library • Home Economics 	Eight teachers are teaching in two subject areas. These are: <ul style="list-style-type: none"> • Home Economics, Workplace Learning • Drama, Art • Health & Physical Education, Food • Work Place Learning, Society & Environment • English, Society & Environment • Design & Technology, Health & Physical Education • Design & Technology, Photography • English, Italian 	No teachers are teaching in more than two subject areas.
(b) Albany Senior High School	54 teachers are teaching only one subject area in the following: <ul style="list-style-type: none"> • Mathematics • English • Science • Health & Physical Education • Society & Environment • Design & Technology • Library • Workplace Studies • Art • Languages 	10 teachers are teaching in two subject areas. These are: <ul style="list-style-type: none"> • English, Art (2) • Language, Library • Library, Work Place Learning • Society & Environment, Special Education • Science, Health & Physical Education (2) • Science, Special Education • Design & Technology, Workplace Learning • Art, Special Education 	One teacher is teaching in more than two subject areas. <ul style="list-style-type: none"> • Library, English, ICT

School	Question (1)	Question (2)	Question (3)
(c) Denmark Senior High School	<p>23 teachers are teaching only one subject area in the following:</p> <ul style="list-style-type: none"> • Mathematics • English • Science • Society & Environment • Health & Physical Education • Art • Languages • Design & Technology 	<p>Four teachers are teaching in two subject areas. These are:</p> <ul style="list-style-type: none"> • Mathematics, Science • Science, Health & Physical Education • English, Health & Physical Education • Science, Health & Physical Education 	<p>No teachers are teaching in more than two subject areas.</p>
(d) Manjimup Senior High School	<p>36 teachers are teaching only one subject area in the following:</p> <ul style="list-style-type: none"> • Mathematics • English • Science • Society & Environment • Health & Physical Education • Art • Workplace Learning • Design & Technology • Business • Home Economics 	<p>Two teachers are teaching in two subject areas. These are:</p> <ul style="list-style-type: none"> • English, Mathematics • English, Photography 	<p>No teachers are teaching in more than two subject areas.</p>
(e) Margaret River Senior High School	<p>48 teachers are teaching only one subject area in the following:</p> <ul style="list-style-type: none"> • Mathematics • English • Science • Society & Environment • Health & Physical Education • Art • Languages • Design & Technology • Home Economics 	<p>Four teachers are teaching in two subject areas. These are:</p> <ul style="list-style-type: none"> • Science, Mathematics • Dance, Health & Physical Education • Computing, Careers • Art, Home Economics 	<p>No teachers are teaching in more than two subject areas.</p>

School	Question (1)	Question (2)	Question (3)
(f) Busselton Senior High School	25 teachers are teaching only one subject area in the following: <ul style="list-style-type: none"> • Mathematics • English • Science • Society & Environment • Design & Technology • Health & Physical Education • Business • Home Economics • Art 	Eight teachers are teaching in two subject areas. These are: <ul style="list-style-type: none"> • Mathematics, Society & Environment • Society & Environment, English • English, Art • Design & Technology, Society & Environment • Health & Physical Education, Science • Business, ICT • Home Economics, Business • Art, English 	One teacher is teaching in more than two subject areas. <ul style="list-style-type: none"> • Health & Physical Education, English, Art, Dance
(g) Cape Naturaliste College	38 teachers are teaching only one subject area in the following: <ul style="list-style-type: none"> • Mathematics • English • Science • Society & Environment • Health & Physical Education • Art • Languages • Design & Technology 	Two teachers are teaching in two subject areas. These are: <ul style="list-style-type: none"> • Media, English • English, Drama 	One teacher is teaching in more than two subject areas. <ul style="list-style-type: none"> • Design & Technology, Mathematics, Science

School	Question (1)	Question (2)	Question (3)
(h) Australind Senior High School	<p>65 teachers are teaching only one subject area in the following:</p> <ul style="list-style-type: none"> • Mathematics • English • Science • Society & Environment • Design & Technology • Languages • Art • Health & Physical Education • Education support • Library 	<p>Seven teachers are teaching in two subject areas. These are:</p> <ul style="list-style-type: none"> • English, Art • Health & Physical Education, Literacy • Society & Environment, Art • Mathematics, Design & Technology • Language, English • Language, Society & Environment • Design & Technology, Society & Environment 	<p>No teachers are teaching in more than two subject areas.</p>
(i) Bunbury Senior High School	<p>47 teachers are teaching only one subject area in the following:</p> <ul style="list-style-type: none"> • Mathematics • English • Science • Health & Physical Education • Languages • Art • Design & Technology • Society & Environment 	<p>Six teachers are teaching in two subject areas. These are:</p> <ul style="list-style-type: none"> • Technology, Humanities • Art, English • Health & Physical Education, Mathematics • Science, Mathematics (2) • Health & Physical Education, Technology 	<p>No teachers are teaching in more than two subject areas.</p>
(j) Manea Senior College	<p>33 teachers are teaching only one subject area in the following:</p> <ul style="list-style-type: none"> • Mathematics • English • Science • Society & Environment • Health & Physical Education • Art • Design & Technology 	<p>Eight teachers are teaching in two subject areas. These are:</p> <ul style="list-style-type: none"> • Mathematics, Science (2) • English, Society & Environment (3) • English, Art • Health & Physical Education, Science (2) 	<p>No teachers are teaching in more than two subject areas.</p>

School	Question (1)	Question (2)	Question (3)
(k) Newton Moore Senior High School	<p>41 teachers are teaching only one subject area in the following:</p> <ul style="list-style-type: none"> • Mathematics • English • Science • Society & Environment • Health & Physical Education • Art • Music • Design & Technology 	<p>10 teachers are teaching in two subject areas. These are:</p> <ul style="list-style-type: none"> • LOTE, Science • LOTE, Mathematics • Society & Environment, English (2) • Society & Environment, Computing • Drama, English (2) • Mathematics, Science • Mathematics, Computing • Mathematics, Health & Physical Education 	<p>No teachers are teaching in more than two subject areas.</p>
(l) Collie Senior High School	<p>25 teachers are teaching only one subject area in the following:</p> <ul style="list-style-type: none"> • Mathematics • English • Science • Society & Environment • Health & Physical Education • Design & Technology 	<p>Nine teachers are teaching in two subject areas. These are:</p> <ul style="list-style-type: none"> • Health & Physical Education, Mathematics (2) • English, Vocational Education (2) • Health & Physical Education, Vocational Education (3) • Health & Physical Education, Science (2) 	<p>Four teachers are teaching in more than two subject areas.</p> <ul style="list-style-type: none"> • Art, Mathematics, Music • Health & Physical Education, Science, Vocational Education • Special needs, ASDAN awards, Vocational Education • English, Design & Technology, Vocational Education
(m) Dalzellup College	<p>44 teachers are teaching only one subject area in the following:</p> <ul style="list-style-type: none"> • Mathematics • English • Science • Society & Environment • Health & Physical Education • Design & Technology 	<p>Five teachers are teaching in two subject areas. These are:</p> <ul style="list-style-type: none"> • Mathematics, Science (3) • English, Society & Environment (2) 	<p>No teachers are teaching in more than two subject areas.</p>

School	Question (1)	Question (2)	Question (3)
(n) Eaton Community College	22 teachers are teaching only one subject area in the following: <ul style="list-style-type: none"> • Mathematics • English • Science • Society & Environment • Health & Physical Education • Design & Technology • Art 	Six teachers are teaching in two subject areas. These are: <ul style="list-style-type: none"> • English, Art (2) • Mathematics, Science • LOTE, English • Health & Physical Education, Design & Technology • Design & Technology, Mathematics 	No teachers are teaching in more than two subject areas.
(o) Harvey Senior High school	11 teachers are teaching only one subject area in the following: <ul style="list-style-type: none"> • Mathematics • English • Science • Health & Physical Education • Vocational Education • Art 	Three teachers are teaching in two subject areas. These are: <ul style="list-style-type: none"> • Society & Environment, Photography • Society & Environment, English • Design & Technology, Visual Art 	Two teachers are teaching in more than two subject areas. <ul style="list-style-type: none"> • LOTE, Science, Media • Art, Mathematics, Vocational Education
(p) Pinjarra Senior High School	30 teachers are teaching only one subject area in the following: <ul style="list-style-type: none"> • Mathematics • English • Science • Society & Environment • Design & Technology • Health & Physical Education • Art • Music • Business 	Eight teachers are teaching in two subject areas. These are: <ul style="list-style-type: none"> • Drama, English • Dance, Health & Physical Education • English, Photography • Society & Environment, English • Society & Environment, Home Economics (2) • LOTE, Society & Environment • Science, Mathematics 	Two teachers are teaching in an alternative program covering all learning areas.

School	Question (1)	Question (2)	Question (3)
(q) Halls Head Community College	<p>45 teachers are teaching only one subject area in the following:</p> <ul style="list-style-type: none"> • Mathematics • English • Science • Health & Physical Education • Design & Technology • Home Economics • Art • Drama • Dance • Music • ICT • Media 	<p>12 teachers are teaching in two subject areas. These are:</p> <ul style="list-style-type: none"> • Health & Physical Education, Mathematics (2) • English, Health & Physical Education (2) • ICT, Media • Society & Environment, English • Society & Environment, Home Economics • Art, Home Economics • Media, English • Society & Environment, Health & Physical Education • Japanese, Photography • Science, Health & Physical Education 	<p>Three teachers are teaching in more than two subject areas.</p> <ul style="list-style-type: none"> • English, Society & Environment, Health & Physical Education • Two teachers are teaching in an alternative program covering all learning areas.

School	Question (1)	Question (2)	Question (3)
(r) Coodanup Community College	<p>18 teachers are teaching only one subject area in the following:</p> <ul style="list-style-type: none"> • Mathematics • English • Science • Society & Environment • Health & Physical Education • Literacy & Numeracy • Art • Outdoor Education • Food • Hairdressing • Construction 	<p>Eight teachers are teaching in two subject areas. These are:</p> <ul style="list-style-type: none"> • Mathematics, Health & Physical Education • Science, Agriculture • Tourism, Retail • Music, Circus • Literacy & Numeracy, Society & Environment • Science, Mathematics • Media, Mathematics • Health & Physical Education, English 	<p>12 teachers are teaching in more than two subject areas.</p> <ul style="list-style-type: none"> • Media, ICT, Health & Physical Education • English, Mathematics, Vocational Education (3) • Society & Environment, English, Mathematics • Stagecraft, English, Drama • Woodwork, Metalwork, Automotive • Workplace Learning, Mathematic, English, Vocational Education, Design & Technology (2) • Health & Physical Education, Vocational Education, Workplace Learning • Society & Environment, Mathematics, English, Health and Physical Education • Society and Environment, Vocational Education, Design & Technology <p>Note: Coodanup Community College has a number of alternative programs operating. These programs are one-teacher models whereby the teacher teaches across the curriculum.</p>

School	Question (1)	Question (2)	Question (3)
(s) John Tonkin College	54 teachers are teaching only one subject in the following: <ul style="list-style-type: none"> • Mathematics • English • Science • Society & Environment • Design & Technology • Health & Physical Education • Art • Careers & Vocational Education 	Nine teachers are teaching in two subject areas. These are: <ul style="list-style-type: none"> • Society & Environment, Childcare • English, Art • Society & Environment, English (2) • Home Economics, Mindmatters • Health & Physical Education, Mindmatters • Society & Environment, Drama • Mathematics, Health & Physical Education • LOTE, Health & Physical Education 	Two teachers are teaching in more than two subject areas. <ul style="list-style-type: none"> • Society & Environment, Health & Physical Education, Vocational Education • Music, Health & Physical Education, Vocational Education
