

LEGISLATIVE COUNCIL

C143

QUESTION WITHOUT NOTICE
(Of which some notice has been given)

Wednesday, 25 February 2015

Hon Sue Ellery to the Minister for Education.

1. Please list the 30 schools that had a school chaplain in 2014, that won't have one in 2015?
2. What were the criteria the Government used to determine the 71 schools which were given a chaplain, announced on 24 December 2014 under a separate \$5.68 million state government program?

I thank the Hon. Member for some notice of this question

1. 357 Western Australian public schools were funded under the Commonwealth Government's previous National School Chaplain and Student Welfare Program, which ended in 2014. In 2015, a total of 319 public schools will receive funding for an In-School Chaplain, including 247 schools funded by the Commonwealth, 71 schools funded by the State, and one school partially funded by both.

There are 96 public schools that are receiving funding for an In-School Chaplain that have not previously been funded by the Commonwealth. Of these 96 schools, 78 are funded by the Commonwealth and 18 by the State.

There were 123 schools that indicated they received funding under the previous Commonwealth program, but have not received funding under the new National School Chaplaincy Programme nor the In-School State-Funded Chaplaincy Program funding for 2015. I table a list of these schools.

2. The State Government has provided an additional \$1.45 million through the Department of Education to fill the funding shortfall in the Commonwealth school chaplaincy programme. This funding is in addition to the \$5.68 million State Government service and grant agreements for chaplaincy services. The selection criteria used to allocate the State funding of \$1.45 million included:

- Index of Community Socio-Educational Advantage (ICSEA) – where available;
- geolocation
- student numbers;
- percentage of regular attendees;
- transiency data; and
- current pastoral care support strategies/personnel.

Schools that do not have an ICSEA score were considered separately.

The State Government funding of \$5.68 million a year to YouthCARE ensures that all public schools have access to chaplaincy services including:

- support Chaplains that are shared amongst several schools to provide chaplaincy services upon direct request by schools;
- fly-in/fly-out Support Chaplains in remote locations; and
- Relief Chaplains and Pastoral Critical Incident Response Chaplains who provide support to schools and their community in times of emergency or major incidents such as bushfires.

A handwritten signature in black ink, appearing to read 'P. Gillin', with a small dot above the final 'n'.

Minister for Education

[Tabled Paper]

NEW SCHOOLS TO THE CHAPLAINCY PROGRAMS

Adam Road Primary School
Albany Secondary Education Support Centre
Allendale Primary School
