QUESTION WITHOUT NOTICE (Of which some notice has been given)

Thursday, 19 March 2015

Hon Sue Ellery to the Minister for Education.

How many transportable classrooms were in use in schools, by primary and secondary schools, at the start of the 2015 school year?

I thank the Hon. Member for some notice of this question.

As of the start of the 2015 school year:

Primary schools 1306

Secondary schools 498

It is noted that in the primary schools a number of transportables have been indentified as surplus but have yet to be removed
