

DEPARTMENT OF AGRICULTURE AND FOOD, WESTERN AUSTRALIA

TABLED PAPER TO LEGISLATIVE COUNCIL QUESTION ON NOTICE 2844

Attachment 1: State NRM Program Funding To Be Paid 2014-15

Project Funded	Funding Recipient	Funding Paid
Funding of State NRM Office Operations	State NRM Office	\$760,000
Coordinated predator control	Wheatbelt NRM	\$75,000
Western swamp tortoise conservation	Department of Environment and Conservation	\$250,000
Demersal fish stock conservation on the south coast	Department of Fisheries	\$210,054
Freshwater fish conservation	Department of Fisheries	\$230,000
Forming Recognised Biosecurity Groups in agricultural areas	Department of Agriculture & Food WA	\$600,000
Protecting the biodiversity and integrity of the Torndirrup Nature Reserve from environmental weed threats	Albany Racing Club Inc	\$13,250
Revegetation of Nangip catchment to reduce threats of salinity in Nangip Reserve	Friends of Nangip Creek	\$25,000
Whole farm nutrient mapping	Department of Agriculture & Food WA	\$325,000
Swan-Canning water quality improvement	Swan River Trust	\$477,000
Kimberley rubber vine eradication	Rangelands NRM Co-ordinating Group (Inc.)	\$273,976
Feral pig control in south east WA	South West Catchments Council (SWCC)	\$352,111
Sustainable productivity in the rangelands	Rangelands NRM Co-ordinating Group (Inc.)	\$30,000
Critically endangered flora recovery	Department of Parks & Wildlife	\$451,000

Dibbler conservation	Department of Environment and Conservation	\$90,000
Project Funded	Funding Recipient	Funding Paid
Western ground parrot conservation	Department of Environment and Conservation	\$280,000
Dieback management	South Coast Natural Resource Management Inc.	\$753,000
Aboriginal engagement in natural resource management	State NRM Office	\$71,212
Community action to restore biodiversity to the central wheatbelt of WA	Wadderin Group	\$4,737
Jam Patch protection	Lake Grace LCDC	\$15,250
Chapman River Wildlife Corridor CARE (Community Awareness & Regeneration Experience) Project	City of Greater Geraldton	\$19,875
Invasive Species Plan implementation in the Western third of Chapman Valley	Shire of Chapman Valley	\$22,000
Protecting waterways & remnant vegetation in the Chapman River Catchment Area	Shire of Chapman Valley	\$25,000
Revegetation the Moresby Stage 4	Shire of Chapman Valley	\$25,000
Pest Control to Protect our Sensitive Vegetation in the West Midlands	West Midlands Group	\$8,165
Protecting On-Farm Remnant Vegetation to Enhance Wildlife Habitat, in the West Midlands area-stage 2	West Midlands Group	\$25,000
Environmental weed management & revegetation in Queens Park Regional Open Space	Friends of Queens Park Bushland	\$10,000
Rehabilitation of the Upper Lesmurdie Falls	Friends of Upper Lesmurdie Falls Inc.	\$20,000

Enhancing biodiversity in urban bushland at Wireless Hill	Friends of Wireless Hill	\$9,000
To revegetate an area of unused land on Como Secondary College for biodiversity conservation purposes	JMH Action Group	\$15,000
Project Funded	Funding Recipient	Funding Paid
Restoration & Habitat Protection for Endangered Flora & Fauna	Murdoch Environmental Restoration Group (MERG)	\$21,000
Building capacity to respond to Biosecurity Issues identified- Perth metro Phase 1	Nursery and Garden Industry of WA Inc (NGIWA)	\$11,450
Blackberry Removal & the Restoration of Bull Creek Reserve	Friends of Bullcreek Catchment	\$11,000
Canning River Foreshore Restoration	South East Regional Centre for Urban Landcare	\$25,000
Post Fire Restoration in the Canning River Regional Park	South East Regional Centre for Urban Landcare	\$25,000
Mills Street Stream- weed management in revegetated area	Wilson Wetlands Action Group	\$5,500
Castledare revegetation and Wilson living stream	Wilson Inlet Catchment Committee	\$20,000
Cactus Control Marrilla (project 1) Cactus Control Mardathuna (project 2)	Lyndon LCDC	\$20,000
Carnarvon WoNS control Partnership 2014	Carnarvon LCDC	\$50,000
Reviewing the impact of tourism on the whale shark population off the Ningaloo coast	ECOCEAN Inc	\$10,000
Mertondale / Menzies Invasive Cactus Roundup	Goldfields Nullarbor Rangelands Biosecurity Association Inc	\$40,000
Protecting the ecologically significant Nicholson Range in the Murchison from total grazing pressure	Nicholson Range Management Committee	\$25,000
Tackling invasive WoNS in the Ashburton Catchment	Pilbara Mequite Management Committee Inc	\$10,000

Tackling weeds on the Yannarie River	Pilbara Mequite Management Committee Inc	\$13,250
Improving range condition and reducing rainfall run off from stations surrounding the Shark Bay World Heritage Area	Southern Gascoyne Group (SGG)	\$45,500
Project Funded	Funding Recipient	Funding Paid
Forests to Stirling Gondwana Link: From plans to action	Green Skills Inc	\$22,500
Protection & Extension of Bushland Corridors in the Moolyall Woodenup Catchment	Moolyall Woodenup Catchment Group Inc	\$25,000
Conserving the unique aestivating freshwater fishes in the wetlands of the south-coast of WA	Freshwater Fish Group and Fish Health Unit, Estuarine Research Group Murdoch University	\$11,350
On-ground Salinity Management Work for the Gnowangerup/Scott's Brook	Blackwood Basin Group	\$12,500
Continuing to sustainably manage catchments surrounding Dumbleyung Lake	Dumbleyung Land conservation District Committee	\$10,000
Reducing nutrients leaving priority urban and peri-urban areas of the Vasse-Wonnerup catchment	Geographe Catchment Council Inc (GeoCatch)	\$15,000
Western Ringtail Possums in our schools and community	Geographe Catchment Council Inc (GeoCatch)	\$5,000
Attacking Badgebups Salinity	Katanning LCDC	\$25,000
Bridal creeper and WONs wars - spreading the word	Katanning Land Conservation District Committee (KLDCDC)	\$27,000
Environmental Care on the Eastern Flats	Katanning LCDC	\$10,000
Restoration of native vegetation in public areas through partnerships & plant salvage	Ngalang Boodja Council Aboriginal Corporation Inc	\$17,100
Healthy Habitats stage 3	Shire of Serpentine Jarrahdale	\$5,000

Movement & abundance of key fishes in the Vasse-Wonnerup Estuary following a substantial fish kill	Freshwater Fish Group and Fish Health Unit, Estuarine Research Group Murdoch University	\$22,000
Sandford Rocks Bird-hide	Shire of Westonia	\$9,500
Project Funded	Funding Recipient	Funding Paid
Extension of Revegetation to the northern and eastern boundaries of Lake Claremont to restore Indigenous Woodland.	Friends of Lake Claremont Limited	\$25,000
Ngurrawaana Rangers controlling Parkinsonia on Ieramagadu Lease block.	Yindjibarndi Aboriginal Corporation	\$35,000
Land management and activities in Queens Park Regional Open Space.	Friends of Queens Park Bushland	\$40,000
Upper Gascoyne Mesquite Control Project	Shire of Upper Gascoyne	\$45,000
Upper Gascoyne Feral Pig Eradication Project	Shire of Upper Gascoyne	\$30,000
Walloping a WoNs at Windimurra	Meekatharra Rangelands Biosecurity Association Inc. (MRBA)	\$46,930
Mt Henry Peninsula Rehabilitation - Weed & Feral Animal Control Project	Mt Henry Peninsula Conservation Group	\$7,000
South of the Border – Extending Red-Tailed Phascogales into Katanning	Katanning LCDC	\$10,000
Building Regional Capacity For Fairy Tern Conservation Action	CONSERVATION COUNCIL (WA)	\$27,000
Another Link in the Chain; Restoring Manjimup Brook: Stage 4	EAST MANJIMUP PRIMARY SCHOOL	\$15,320.
Revegetation of the islands at Mary Carroll Lake	Friends of Mary Carroll Wetlands (FMCW)	\$11,000
Project Palomino -restoring the Wungong River	Armadale Gosnells Landcare Group	\$15,000

Albany Regional Herbarium Collection -building a comprehensive resource to meet community needs	Albany Branch Western Australian Wildflower Society	\$42,000
Rehabilitation of peat swamps in the Walpole Wilderness	Walpole Nornalup National Parks Association (WNNPA)	\$35,000
Lake Yangebup Nutrient Stripping Basin and Living Stream	City of Cockburn	\$26,000
Project Funded	Funding Recipient	Funding Paid
Connecting gaps and protecting riparian vegetation in the Stokes Catchment	Esperance Regional Forum Incorporated	\$49,600
Site investigations and weed control for management of wetland interface.	Peel Group of the Riding for the Disabled Association (Peel RDA)	\$14,060
Strategic Planning for the Shire of Donnybrook-Balingup's Reserves and Drainage Easements (phase one).	Shire of Donnybrook-Balingup	\$10,000
Mullaloo Dunes Ecological Restoration – Year 4	Mullaloo Beach Community Group Inc	\$11,360
Targeted On Ground Action In The Margaret River Catchment	Cape to Cape Catchments Group	\$49,000
Control of significant outlier infestations of strategically important WoNS weeds	Rangelands Fibre and Produce Association (Inc.)	\$30,000
Cape Tulip control and eradication in Bush Forever site 325	Friends of North Ocean Reef – Iluka Foreshore	\$10,000
Chasing the remaining feral pigs in the Chittering Valley	Chittering Valley Land Conservation District Committee	\$50,000
Woody Remnants	Wagin Woodanilling Landcare Zone Inc.	\$35,000
Kill The Bride – Bridal Creeper Control Program.	Wagin Woodanilling Landcare Zone Inc.	\$10,000
Prickle bush control in the East Kimberley	Ord Land and Water Inc.	\$50,000
Post Fire Restoration in the Canning River Regional Park	SERCUL - South East Regional Centre for Urban Landcare	\$45,000

Reintroduction of fauna to Wadderin Sanctuary – consolidating the gains.	Wadderin Wildlife Sanctuary, Inc.	\$27,990
Eastern States Wattle Control in Redmond Phase II	Wilson Inlet Catchment Committee Inc	\$23,000
Weed Control and Dieback Treatment, Bungendore Park and adjacent land.	Bungendore Park Management Committee	\$18,000
Project Funded	Funding Recipient	Funding Paid
Aquatic weed capacity building and management training	SERCUL - South East Regional Centre for Urban Landcare	\$35,000
Re-fencing Mount Caroline for Threatened Rock-wallaby Habitat Protection	WWF –Australia	\$21,443
Black Creek Biodiversity and Water Quality Improvement Project	City of Canning	\$35,000
Rehabilitation of Zone 6 in Meelup Regional Park	City of Busselton (Meelup Regional Park Management Committee)	\$23,000
Protect and Connect Tarin Rock Bush Blocks	Dumbleyung Landcare Zone	\$15,000
Combined management strategies targeting declared weed Hydrocotyle in Wilson Lagoon	Wilson Wetlands Action Group Inc	\$45,000
Aquila Project – Crowdsourcing volunteers to detect rubber vine in aerial Imagery	West Kimberley Rubber Vine Steering Committee	\$37,000
Protecting, restoring and regenerating the Blackwood River	Blackwood Basin Group Incorporated	\$35,000
Stage Three: Protecting on-farm remnant vegetation, in the west midlands area	West Midlands Group	\$20,000
A pilot of the Dairy Australia Fert\$mart Project in Geographe Catchment	Geographe Catchment Council (GeoCatch)	\$25,000
Protection and enhancement of biodiversity in Yoongarillup reserve.	Geographe Catchment Council (GeoCatch)	\$10,000
Protecting biodiversity in Carburnup Reserve through Phytosphthora management.	Geographe Catchment Council (GeoCatch)	\$20,000

Twilight Cove Restoration Project	Shire of Esperance	\$16,380
Lifting the Left – Improving the Western Catchments	Katanning LCDC	\$40,000
Priority Recovery Waterway: Salinity Management in the Dinninup Catchment	Blackwood Basin Group Incorporated	\$40,000
Project Funded	Funding Recipient	Funding Paid
Environmental Recovery for the Parkerville/Stoneville/Mt Helena Fires 2014	Shire of Mundaring	\$30,000
Improving Pastoral Recognised Biosecurity Group Capacity	Kimberley Rangelands Biosecurity Association Inc.	\$23,000
Sawyers Road to Lion Street heritage Trail Project	Friends of Pioneer Park	\$7,302
The control of feral animals on Mt Gibson Wildlife Sanctuary	Australian Wildlife Conservancy	\$48,000
Leschenault Catchment Council Weed Management and Revegetation Program Part 1: Maintaining the Blackberry Buffer Zone in southwest Western Australia	Leschenault Catchment Council Inc.	\$50,000
Bannister Creek Living Stream: final stage– Iveston Rd to Acacia Weir	Bannister Creek Catchment Group	\$40,000
Marlak Niran: "Returning Country to Bushland"	Yaraguia Enterprises Incorporated (Yei)	\$30,000
Protection and enhancement of the biodiversity of Booragoon Lake Reserve.	SERCUL - South East Regional Centre for Urban Landcare	\$25,000
Blackberry Removal and the Restoration of Bull Creek Reserve (stage 2)	SERCUL - South East Regional Centre for Urban Landcare	\$27,000
Seed2Tree 2015	Hot Rock	\$13,000
Blackadder Wetlands transition from tidal to freshwater project	Blackadder/Woodbridge Catchment Group Inc	\$18,000

Volunteer scientific monitoring of Western Australian marine biodiversity	Reef Life Survey Foundation	\$29,980
Herdsmen Lake Regional Park – Glendalough Reserve Revegetation Project	Herdsmen Lake Community Advisory Committee	\$14,000
Caring for a valuable urban wetland in a drying climate.	Friends of Big Swamp	\$14,800
Project Funded	Funding Recipient	Funding Paid
Forrestdale Lake Community Education Project	Friends of Forrestdale	\$17,000
Renewable and sustainable fencing practices of remnant vegetation – Marlee Reserve.	City of Mandurah	\$24,000
Not So Common: Protecting the Biodiversity Values of Westonia Common	Shire of Westonia	\$29,000
Sydney Wattle Eradication Project – Torndirrup, Robinson, Grasmere – Albany region	Green Skills	\$45,000
Revegetating Rose Shanks Reserve within a rabbit proof fenced area	City of Cockburn	\$22,000
Restoration and Habitat Protection for Endangered Fauna	Murdoch Environmental Restoration Group (MERG)	\$25,000
Nullabor Cactus Cleanup 'Rail Roding the Cactus'	Goldfields Nullabor Rangelands Biosecurity Association Inc.	\$30,000
Towards Athel Pine (Tamarisk) Eradication in the Lower Gascoyne	Carnarvon Land Conservation District Committee	\$35,000
Canning River Foreshore Restoration	SERCUL - South East Regional Centre for Urban Landcare	\$45,000
Rehabilitation of the North Guilderton Dunes - stage 2	Moore Catchment Council	\$15,000
Protecting and enhancing the Moore River biodiversity assets	Moore Catchment Council	\$35,000

Planting food for endangered Carnaby's Black-Cockatoo in the Calingiri IBA	Moore Catchment Council	\$40,000
Ongoing control of isolated populations of highly invasive environmental weeds.	Warren Catchments Council	\$15,000
Wetland & Biodiversity Restoration in the Forest to Stirlings- Gondwana Link - 2015	Green Skills	\$45,000
The Australian Marine Debris Initiative Training Videos - building community capacity	Tangaroa Blue Foundation	\$17,000
Project Funded	Funding Recipient	Funding Paid
WoNS control in Priority Shire Reserves	Shire of Augusta Margaret River	\$12,100
To preserve Waterloo Reserves for environmental, cultural and historical purposes	Keipa Boodja Aboriginal Corporation	\$20,000
Battling Bridal Creeper – The Fight Continues	Katanning LCDC	\$40,000
Saving the Western Ground Parrot	Friends of the Western Ground Parrot Inc (FWGP)	\$17,240
Mitigating the Risk of Dieback on Four Priority Reserves, Denmark	Shire of Denmark	\$10,600
Lorna Glen/Matuwa Cacti Cull	Central Desert Native Title Services	\$30,000
Declared & Environmental Weed Control in the National Heritage listed Porongurup National Park	Friends of the Porongurup Range Inc.	\$35,000

DEPARTMENT OF AGRICULTURE AND FOOD, WESTERN AUSTRALIA

TABLED PAPER TO LEGISLATIVE COUNCIL QUESTION ON NOTICE 2844

Attachment 2: State NRM Program Funding Paid 2013-14

Project Funded	Funding Recipient	Funding Paid
Funding of State NRM Office Operations	State NRM Office	\$686,292
Wheatbelt - Core Funding For Regional Administration	Wheatbelt NRM	\$250,000
Northern Ag - Core Funding For Regional Administration	Northern Agricultural Catchments Council (NACC)	\$250,000
Perth - Core Funding For Regional Administration	Perth Region	\$250,000
Rangelands - Core Funding For Regional Administration	Rangelands NRM Co-ordinating Group (Inc.)	\$250,000
South Coast - Core Funding For Regional Administration	South Coast Natural Resource Management Inc.	\$250,000
South West - Core Funding For Regional Administration	South West Catchments Council (SWCC)	\$250,000
Reducing excessive nutrient levels of nitrogen and phosphorus in the Swan Canning river system	Swan River Trust	\$925,000
Eradication of Boneseed and High Risk Seedling Willows from WA	Perth Region	\$8,420
Protecting Refugial Western Australian EPBC listed Threatened Species	Department of Environment and Conservation	\$10,000
Controlling weedy acacia species in the Mt Barker Kendenup Rail reserve	Oyster Harbour Catchment Group	\$12,753
Whole farm nutrient mapping	Department of Agriculture & Food WA	\$425,000
Implementing the Vasse-Wonnerup Water Quality Improvement Plan	Department of Water	\$350,000
Swan-Canning water quality improvement	Swan River Trust	\$625,000
Kimberley rubber vine eradication	Rangelands NRM Co-ordinating Group (Inc.)	\$411,579
Starling control	South Coast Natural Resource Management Inc.	\$160,000
Feral pig control in south east WA	South West Catchments Council (SWCC)	\$328,663
Coordinated predator control	Wheatbelt NRM	\$100,000
Pilot to test carbon driven solutions to salinity	Northern Agricultural Catchments Council (NACC)	\$130,000

Project Funded	Funding Recipient	Funding Paid
Sustainable productivity in the rangelands	Rangelands NRM Co-ordinating Group (Inc.)	\$85,000
Critically endangered flora recovery	Department of Parks & Wildlife	\$611,700
Dibbler conservation	Department of Environment and Conservation	\$130,000
Western ground parrot conservation	Department of Environment and Conservation	\$280,000
Demersal fish stock conservation on the south coast	Department of Fisheries	\$223,054
Freshwater fish conservation	Department of Fisheries	\$300,000
Biodiversity Links: mid-west and southern rangelands	Northern Agricultural Catchments Council (NACC)	\$100,000
Dieback management	South Coast Natural Resource Management Inc.	\$987,000
Local government biodiversity conservation	Western Australian Local Government Association	\$50,000
Aboriginal engagement in natural resource management	State NRM Office	\$144,003
Forming Recognised Biosecurity Groups in agricultural areas	Department of Agriculture & Food WA	\$100,000
Ensuring the ongoing protection of endangered and threatened species at Karakamia Wildlife Sanctuary	Australian Wildlife Conservancy	\$23,485
Protection and preservation of the natural assets in priority locations on the Canning Stock Route	Track Care WA Inc	\$25,000
Conserving threatened wildlife at Heirisson Prong, Shark Bay	Useless Loop Community Biosphere Project Group	\$9,000
Lake Claremont revegetation extension	Friends of Lake Claremont	\$25,000
Survey for the endangered red-tailed phascogale in the eastern wheatbelt of WA	Hyden Progress association	\$15,000
Revegetation of tuart woodlands, feral bee control and learning through community engagement and action.	Baldivis Childrens Forest Inc	\$5,690
Celebrating 30 yrs of Landcare in the Fitzgerald Biosphere	Fitzgerald Biosphere Group	\$8,000
Integrated NRM in the Quairading, Tammin and Cunderdin shires	Shire of Quairading	\$25,000
Development and implementation of the Calgardup Brook action plan	Cape to Cape Catchments Group	\$25,000

Project Funded	Funding Recipient	Funding Paid
Healthy Habitats – a national award-winning Stewardship Program for conservation of biodiversity on private property	Shire of Serpentine Jarrahdale	\$24,600
Sustainably managing the catchments surrounding the Dumbleyung Lake	Dumbleyung LCDC	\$20,000
Pilbara freshwater fish education project: a field guide and underwater documentary	Murdoch University Fish Health	\$10,000
Protecting, maintaining and restoring refuges for aquatic life within the Yule Brook waterway and Bickley reservoir	SERCUL	\$15,300
Conservation and restoration of flora and fauna at the Jack Mears Park spring, Collie	Ngalang Boodja Council Aboriginal Corporation Inc	\$15,500
Jane Brook foreshore reserve rehabilitation	Jane Brook Community Association	\$25,000
Riparian management on recovery streams in the Geographe Catchment	Geographe Catchment Council Inc	\$11,000
Restoring the Bickley Brook foreshore upstream of the Bickley Reservoir	SERCUL	\$7,900
Riparian protection and revegetation on Omaru and Carragaline properties in the Manywaters catchment	Shire of West Arthur	\$35,000
Developing a photo identification software for individual recognition of Australian Sea Lions through a community based approach	Centre for Marine Science and Technology	\$16,864
Distribution and abundance survey of Aboriginal medicine tree <i>B. acuteangula</i> along the Fitzroy River	Jarlmadangah Burra Aboriginal Corporation	\$25,000
Restoring the Warradarge Creek to Increase Landscape Connectivity in the West Midlands Region	West Midlands Group	\$24,830
Regenerating the Wattle Creek catchment	Blackwood Basin Group	\$25,000
Maximising environmental value of remnant native vegetation: a blueprint for landholders	Warren Catchment Council	\$25,000

Project Funded	Funding Recipient	Funding Paid
Revegetation of Nangip catchment to reduce threats of salinity in Nangip Reserve	Friends of Nangip Creek	\$25,000
Mottram St Reserve returning a significant stream and forest reserve towards their natural state - stage 3	Shire of Manjimup	\$24,200
Gynudup Brook and Tren Creek River Action Plan review and strategic fencing	Geographe Catchment Council Inc	\$9,000
Building community and industry capacity to achieve water quality outcomes	Geographe Catchment Council Inc	\$17,700
Managing salinity in the Dinninup catchment	Blackwood Basin Group	\$25,000
Busselton urban wetland restoration	Geographe Catchment Council Inc	
Ecological restoration of Geographe streams	Geographe Catchment Council Inc	\$14,250
Chapman River Wildlife Corridor CARE (Community Awareness & Regeneration Experience) Project	City of Greater Geraldton	\$30,000
Conservation of Candy's Bush Reserve through Traditional & ecological knowledge sharing	Moore Catchment Council	\$32,450
Planting feed species for the endangered Carnaby's Black-Cockatoo (<i>Calyptorhynchus latirostris</i>) in the Northern Swan Coastal Plain Important Bird Area	Moore Catchment Council	\$45,000
Reconnecting fragmented Malleefowl (<i>Leipoa Ocellata</i>) habitat near Maya, WA	Moore Catchment Council	\$36,325
Invasive Species Plan implementation in the Western third of Chapman Valley	Shire of Chapman Valley	\$25,000
Protecting waterways & remnant vegetation in the Chapman River Catchment Area	Shire of Chapman Valley	\$25,000
Revegetation the Moresby Stage 4	Shire of Chapman Valley	\$25,000
Saltland stabilisation using NyPa Forage to control erosion & improve soil drainage	West Koojan Gillingarra LCDC	\$27,000
Pest Control to Protect our Sensitive Vegetation in the West Midlands	West Midlands Group	\$25,000

Project Funded	Funding Recipient	Funding Paid
Protecting On-Farm Remnant Vegetation to Enhance Wildlife Habitat, in the West Midlands area-stage 2	West Midlands Group	\$25,000
The Greening Project - Pilot Project	Active Greening Inc t/a The Greening Project	\$20,000
Protecting Bats in Melville through providing habitats & education	Ardross Primary School Parents & Citizens Assoc. Inc.	\$9,000
Palomino seasonal damp land stage 2	Armadale Gosnells Landcare Group	\$12,000
Nicholson Rd Bushland Restoration & weed management (Bushforever 456)	Bannister Creek Catchment Group	\$25,000
Dieback treatment and weed control Bungendore Park and adjacent land	Bungendore Park Management Committee	\$18,000
Urban weed control revision	Canning River Regional Park Volunteers	\$13,250
Cilantro Parkway Conservation Wetland	City of Armadale	\$20,000
Improving Connectivity of a Regional Ecological Linkage, Ascot/Rivervale Foreshore	City of Belmont	\$13,347
Ranford Bushland environmental study & rehabilitation, Canning Vale	City of Canning	\$28,000
Re-Vegetation & Erosion control in the Tuart Woodland of Thomas Oval Bushland, Kwinana	City of Kwinana	\$13,367
Expanding the Collier Park Golf Course Sanctuary	City of South Perth	\$24,000
Dawson Park Primary School Threatened Ecological Species conservation project	Dawson Park Primary School	\$10,000
Management of Two Invasive Species (Pigs & Foxes) in the Ellen Brockman Region	Ellen Brockman Integrated Catchment Group	\$46,900
Bugle Tree Gully Restoration & Community Engagement	Friends of Bugle Tree Gully Reserve - c/o Shire of Mundaring	\$12,000
Gidge Reserve (2145) & FR Berry Reserve Management Plans Project 2013-14	Friends of Gidge Reserve (2145)	\$15,000
Control of geophyte, woody and herbaceous weeds in the catchment area of Priest Creek, JFNP	Friends of John Forrest National Park- South West	\$23,150

Project Funded	Funding Recipient	Funding Paid
Extension of Revegetation to the Northern Section of Lake Claremont to Restore Indigenous Woodland	Friends of Lake Claremont	\$28,000
Revegetation of the islands at Mary Carroll Lake stage 2	Friends of Mary Carroll Wetland	\$11,000
Watsonia control at the Piesse Brook Gorge area	Friends of Piesse Brook	\$17,000
Sawyers Road to Lion Street Heritage Trail Project	Friends of Pioneer Park	\$13,200
Environmental weed management & revegetation in Queens Park Regional Open Space	Friends of Queens Park Bushland	\$25,000
Friends of Talbot Road Nature Reserve Weed Management	Friends of Talbot Road Nature Reserve Inc (FoTRNR)	\$11,000
Rehabilitation of the Upper Lesmurdie Falls	Friends of Upper Lesmurdie Falls Inc.	\$20,000
Enhancing biodiversity in urban bushland at Wireless Hill	Friends of Wireless Hill	\$25,000
Rehabilitation & protection of Jarrah forest at Glen Forrest Primary School	Glen Forrest Primary School	\$17,688
The Waabiny Project	Helena College Junior School	\$20,000
To revegetate an area of unused land on Como Secondary College for biodiversity conservation purposes	JMH Action Group	\$15,000
Control weeds, feral animals & Dieback fungal disease for conservation of flora & fauna biodiversity	Mt Henry Peninsula Conservation Group	\$14,845
Mullaloo dune Revegetation Project Year 3	Mullaloo Beach Community Group Inc	\$10,000
Restoration & Habitat Protection for Endangered Flora & Fauna	Murdoch Environmental Restoration Group (MERG)	\$25,000
Crumpet Creek Project, Mundy Regional Park & Rocky Pool Creek Line, Kalamunda National Park	Nature Reserves Preservation Group Incorporated	\$10,000
Bushland Protection & Restoration in Bullsbrook	North Swan Land Conservation District Committee	\$10,757
Building capacity to respond to Biosecurity Issues identified- Perth metro Phase 1	Nursery and Garden Industry of WA Inc (NGIWA)	\$25,000
Blackberry Removal & the Restoration of Bull Creek Reserve	Friends of Bullcreek Catchment	\$25,000
Canning River Foreshore Restoration	South East Regional Centre for Urban Landcare	\$25,000

Project Funded	Funding Recipient	Funding Paid
Construction of Bird Hide and Interpretive Signage for the Beckenham Open Space	The South East Regional Centre for Urban Landcare (SERCUL)	\$16,570
Post Fire Restoration in the Canning River Regional Park	South East Regional Centre for Urban Landcare	\$25,000
Protection & enhancement of the biodiversity of Booragoon Lake Reserve	Friends of Booragoon and Blue Gum Lake	\$28,000
Restoring the Bickley Brook upstream of the Bickley Reservoir	South East Regional Centre for Urban Landcare	\$17,050
Conservation and restoration of remnant vegetation sites in Bush Forever Site 331.	Swan Estuary Reserves Action Group	\$26,600
Mills Street Stream- weed management in revegetated area	Wilson Wetlands Action Group	\$25,000
Castledare revegetation and Wilson living stream	Wilson Inlet Catchment Committee	\$20,000
Yellagonga Regional Park Woodvale Revegetation Enhancement Project (Stage 2)	Woodvale Waters Land Owners Association Inc	\$25,000
Control of significant outlier infestations of strategically important WoNS weeds	Murchison LCDC	\$50,000
Protecting the biodiversity values of Windich Springs and its catchment through collaborative land management on the CSR	Central Desert Native Title Services	\$45,950
Reviewing the impact of tourism on the whale shark population off the Ningaloo coast	ECOCEAN Inc	\$20,000
Weed Management in the Great Western Woodlands	Goldfields Land and Sea Council	\$25,000
Protecting the ecologically significant Nicholson Range in the Murchison from total grazing pressure	Nicholson Range Management Committee	\$25,000
Tackling invasive WoNS in the Ashburton Catchment	Pilbara Mequite Management Committee Inc	\$40,000
Tackling weeds on the Yannarie River	Pilbara Mequite Management Committee Inc	\$35,000
Control of significant outlier infestations of strategically important WONS weeds	Rangelands Fibre and Produce Association (Inc.)	\$40,000
Bringing life back to Katjarra	Track Care WA Inc	\$27,500
Upper Gascoyne erosion and sediment control demonstration	Upper Gascoyne LCDC	\$37,500

Project Funded	Funding Recipient	Funding Paid
Yakamia Creek Community weed control & revegetation project	Albany Community Environment Centre	\$10,020
Biodiversity planting to protect and connect Bitter Water Creeks/wetlands in the Fitzgerald	Banjelungup Aboriginal Corporation	\$11,000
Kojonup Reserve Biodiversity Enhancement	Bush Heritage Australia	\$10,000
Protection of Biodiversity in Public Reserves in the Shire of Denmark by On-Ground Action & Community Education	Denmark Weed Action Group Inc (DWAG)	\$15,000
Bush tucker Trail	Flinders Park Primary School	\$13,900
Declared & Environmental Weed control in the National Heritage listed Porongurup National Park	Friends of the Porongurup Ranges Inc	\$50,000
Forests to Stirling Gondwana Link: From plans to action	Green Skills Inc	\$7,500
Senecio glastifloius eradication	Green Skills	\$19,000
King River & Willyung Creek Weed Control & Riparian Restoration Project	King River Weed Control and River Restoration Group	\$28,000
Protection & Extension of Bushland Corridors in the Moolyall Woodenup Catchment	Moolyall Woodenup Catchment Group Inc	\$25,000
Strategic control & community education of Sydney golden wattle control in Wellstead	Wellstead Community Resource Centre Inc	\$50,000
Eastern States Wattle control in Denbarker phase 2	Wilson Inlet Catchment Committee	\$13,000
